Town applies for \$40,483 1973 recreation grants

The Town of St. Albert has applied for \$40,483.20 in Provincial Government grants for the year 1973. The monies will be received about May 1st if the applications are approved.

Recreation co-ordinator Rene Laird, Parks Superintendent John Beedle and MLA Ernie Jamison met with officials of the Department of Culture, Youth and Recreation on February 27, two days before application deadline. The required forms were filled out in the provincial office with the assistance of their staff and the recreation co-ordinator obtained signatures as required from the mayor, administrator, chairman of the Recreation Advisory Committee and school boards chairmen, and got the applications back to the department on March 1st.

Town office was provided information in May on the basic recreation grant of \$1 per capita and received regulations and application forms in mid-August.

The Town of St. Albert's application was sent in not completed fully and this form was in the department's office still incomplete on February 27th, although the Town office had been informed by the department that additional signatures and data were needed. It is now completed in the amount of \$15,088.

Following the fall session Hon. Horst Schm'd announced the new Project Co-op-

eration Assistance Plan to encourage community use of schools. Grants of 65¢ per capita were provided for this plan to cover costs such as janitorial and supervisory expenses and others. In St. Albert this amounts to \$9,807.20. Information was received from the department on this project in mid-December, and the Gazette issue of Dec. 19 carried a detailed report on the Project.

Project Co-operation offered additional assistance for municipality - organization applications of \$1 per capita plus \$500 per municipality and application for this \$15,588 was also completed on February 27th. This assistance is on a 50

per cent split basis with community organizations and the MLA understands that St. Albert Kinsmen will receive \$7,544 for their financial contribution to the St. Albert Arena Ice Plant.

Thus St. Albert may qualify for recreational grants of \$15,588, \$9,807.20 and \$15,088 for a total of -- \$40,483.20.

The regulations referred to by Mayor Gibbon as just being received in February were two folders made up by the Provincial Department in convenient form for distribution to people involved. They merely repeat in more attractive format the information previously sent out to municipalities in mid-December.

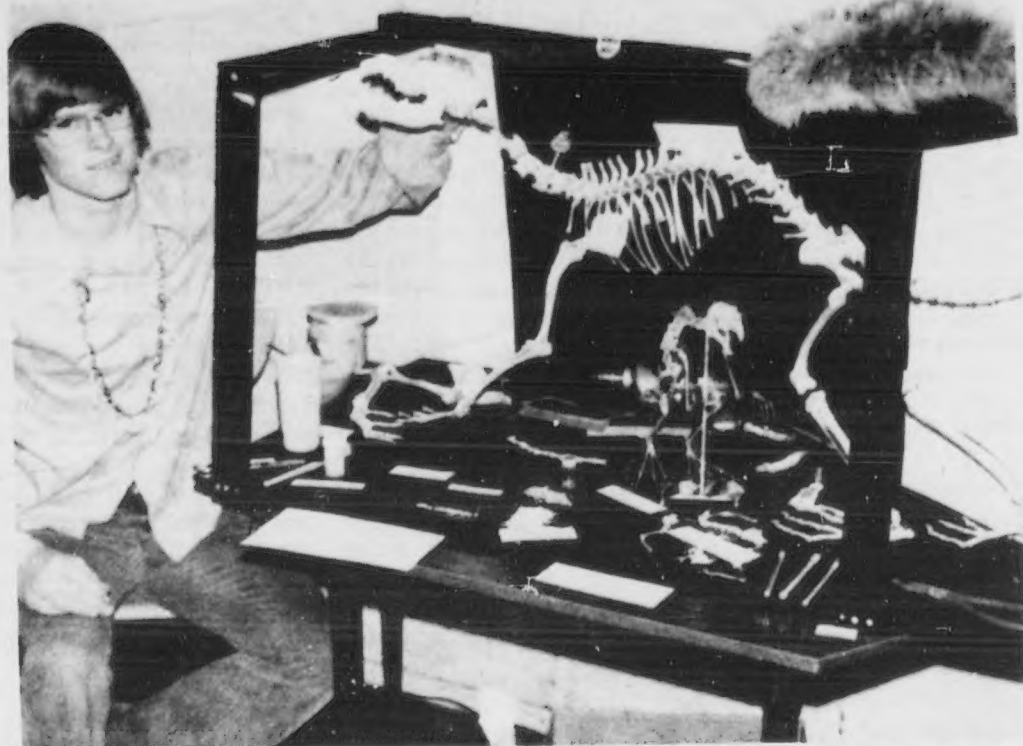

5th Company Guide wins Memorial trophy

Guide Janet Kay of 5th St. Albert Company, was a deserving winner of the Cathy Taylor Memorial Trophy, awarded annually to a Guide showing reliability, cheerfulness, ability to work with others and who has proven capable of service to her community.

Each Guide Company in St. Albert makes a brief submission on a candidate for the trophy and the candidates each present a talk on "What Guiding Means to Me." The Divisional Commissioner for Guides, a re-

presentative from the Ministerial Association and a representative of the Area Guiding Council make the selection, without knowing the names of the candidates.

In addition to the qualities which form the criteria for the trophy, Janet has an All Round Cord and has nearly completed the requirements for the Canada Cord. She is at present working with a very special Guide Company, 10th St. Albert, under the leadership of Guide Anne Sargeant, 10th Company is for retarded girls.

Michael Lemieux with his science project, Skeletal Structures of Common Animals. Michael removes skeletons from dead animals, bleaches the bones, and reconstructs them, complete with moving parts, as he demonstrates here with the jaw bone.

District 6 discusses school lunches - early education

The District No. 6 School Board meeting on Wednesday, Feb. 26, 1974 opened on the subject of the new school plans. Mr. Charlie Schroder asked if the administration had received any calls regarding the plans and Mr. George Hargreaves replied that he had received one.

Mr. Elmer Gish, superintendent, advised that a group the Parents Advisory Committee, wished to view the plans.

Mr. Don Munro enquired into the position of the five portable classrooms which have been requested for the District's use. Mr. Hargreaves confirmed that two were on their way but that he had no information about the other three.

Discussion turned to the possibility of kitchen facilities at the Lacombe Park School and what could be expected in a lunch program. The requirement for a lunch room with kitchen facilities is that two-thirds of the students would remain at school for lunch. Mr. Munro said that some schools offer students hot dogs, chili, etc. and he knew of a school which made a small profit over a period of time which

was donated to the students' union. Mr. Schroder was against the schools becoming involved in the provision of lunches. While he had no objection to children staying at school for lunch, he felt that the work required to provide hot meals for "our well fed children" was not worth the effort. The discussion was tabled until the next meeting.

The next item to be discussed was the direction in which the District should take in implementing the Early Childhood Education Program. Three possibilities are open: a Board operated program; a contract to an individual with Board control; a program undertaken by an outside agency. Mr. Gish preferred Board sponsorship and supervision in the Early Childhood Program.

Meeting held on busing situation

Council is working on a new arrangement for bus service to and from Edmonton and the Administration Committee of Town Council, consisting of Chairman Rod Thronson, Mayor Ray Gibbon, Councillors John Bakker and Myrna Fyfe together with MLA Ernie Jamison met with the Hon. Clarence Copithorne, minister, Monday. Following the meeting the Minister and MLA had further discussions on the situation and Mr. Jamison reports that Mr. Copithorne is taking a good look at all aspects of public transportation and may work out a formula for assistance.

Yesterday Chairman Thronson and along with Councillors Bakker, Fyfe, Lukay, de Bruijn and the mayor met with Mayor Dent and a number of city aldermen on busing matters. A very en-

couraging meeting was reported and the Edmonton Transit System will be making a submission to St. Albert Council. Councillor Bakker said that if an Edmonton bid is accepted it will be ratified by City Council.

At Committee of the Whole meeting Monday night, Councillor Bakker recommended that work get underway for completion by April 1st on a turning loop on Hebert Road next to Klondike Drive-in on a road allowance the town has.

In addition three loading platforms will be erected to serve passengers travelling directly to and from the city and those using the inter-town loop service. The arrangement with turning loop will enable traffic to be looped both ways in a shorter time during peak hours.

Mr. Doug Taylor congratulates Girl Guide Janet Kay on winning the Cathy Taylor Memorial Trophy. Janet was the candidate of 5th Company, and a number of guides, leaders and friends were on hand for the ceremony on February 24.

Parents to discuss board program

On Tuesday, March 12, parents of students who will be attending Lorne Akins or Sir George Simpson Junior High Schools in the fall will have the opportunity of discussing a proposed School Band program.

The meeting, which will commence at 7:30 at Lorne Akins School, is a follow-up to the Band questionnaire which was distributed to students in early February.

Present at the meeting will be school principals Barry Findlater and Bob Prather as well as several officials of the St. Albert Lions' Com-

munity Band. It is also hoped that representatives of District #6 School Board will be on hand.

Parents will have ample opportunity to ask questions and offer their suggestions on the proposed program. Coffee will be served.

All parents who indicated their interest on the questionnaire, as well as any other interested people, are welcome to attend. Once again, the meeting will be held on Tuesday, March 12, at Lorne Akins Junior High School, commencing at 7:30.

District 6

Continued from page 1.

Mr. Bill Webber was opposed to this idea and felt that an outside agency should be used. His great concern was that children would be institutionalized from the cradle to the age of 20 years. Dr. W. Cuts made the point that if the District is to supply the program in the core school, the District should retain control. The discussion was tabled.

Mr. Gish provided some figures relative to the school days in the school year 1974/75. There will be 195 days of operation which will include 191 days of instruction.

The Board approved the appointment of Miss Wilma Muir to the position of Read-

ing Clinician for the District program approved by the Department of Education under the Educational Opportunities Fund and the Learning Disabilities Fund. Miss Muir is highly regarded in this field of education and her appointment is effective March 1, 1974.

The Board authorized the Lorne Atkins Ski Trip to Silver Summit Ski Resort on March 10, 1974 as a Board approved extracurricular project. This project will not involve District expenditure.

Mr. Gish presented the activities for Education Week by each school in the District. Each school has already announced the plans of the activities it will undertake.

Comeau's Rink Take Provincials

Roger Comeau's rink, in winning the Provincial Mixed Curling Playdowns, has set a remarkable precedent for the St. Albert Club, who have

Birth ANNOUNCEMENT

Wally and Mavis Olsen of #3 Glacier Place wish to announce the arrival of Cheri-Ann Marie, 8 lbs. on March 2, 1974, a sister for Wade. Our thanks to Dr. Gramlich and the staff at Sturgeon General Hospital.

Derek and Joan Howard, of 25 Fleetwood Crescent wish to announce the arrival of a son, Michael Corey 4 lbs. 9 ozs. on Feb. 19, 1974 at the Edmonton General Hospital.

produced three provincial champion rinks in one season. When the Hec Gervais and Marilyn Johnson rinks won the Mens and Ladies Provincial titles it appeared that for the first time one curling club had two provincial winners in one season, as far as could be determined.

But when Roger made it three there was no doubt that St. Albert Club had itself a record.

Going into the final round in Stettler, the Comeau rink was tied with Lloyd Wood of Pine Point, each with 5-1 records. Roger defeated the Poloz rink from High Prairie and Wood lost to the Yellowknife foursome, putting the Comeau rink on their way to the Dominion finals in Winnipeg later this month. Playing with Roger are Bunny Porowski at third, Marv Porowski and lead Darlene Clark.

The team will be feted at the Friendly Giant Inn on Saturday evening, by the enthusiastic Men's and Women's Clubs and curling fans in general.

Town of St. Albert

Notice of Preparation of Assessment Roll

1974

PROVINCE OF ALBERTA

Notice is hereby given that the assessment roll of the said municipality, made under the provisions of the Municipal Taxation Act, has been prepared and will, for thirty (30) days, be open to inspection at the office of the Municipal Secretary of the municipality during business hours and that any person who desires to object to the entry of his name or that of any other person upon the said roll or to the assessed value placed upon any property must, within thirty (30) days from the date of this notice, lodge his complaint(s) in writing with the Municipal Secretary of the municipality.

Dated this 11th day of March, 1974.

MUNICIPAL SECRETARY,

Construction begins on new studio

When their new building on St. Anne Street is completed next June, the St. Albert Dancing School will be the only one in the metropolitan area to have their own premises. Owners Alma Hughes and Gladys Smith are tremendously excited over the prospects of a building designed specifically for their purposes and of having a permanent home.

The move comes in their 10th anniversary year, and in that period the school has moved three times. It started in rented premises at Club Mocombo, moved upstairs in the Apex building after one year, then to the Calgary Power building (now Mohawk Station) and then to their present premises in the Car-

mar building. The school has grown from 30 students in 1964 to over 300 today.

The 46' x 55' building with half basement and parking at the rear, will have two studios with stripped hardwood flooring separated by a movable wall. This will permit large studio area for workshops.

The new building will allow Alma and Gladys to start Keep Fit and Tap classes for women, in response to many requests. At present, classes are taught for students in tap, ballet and jazz, with two assistant teachers Peggy Sinclair and Cindy Alford, and pianist Shirley Plasteras. The staff and students and their parents are all enthusiastic about the new building.

The changing face of St. Anne Street is getting another new building and the developers are right in on the first day's action. Alma Hughes and Gladys Smith of St. Albert Dancing School climbed aboard the B. J. Graham cat Friday morning when excavation for their new studio building got underway. The Animal Clinic of Dr. Metz is seen in the background.

Simpson school shows draw sellout

The Simpson Winter Carnival, which began on Monday with the crowning of Jill Green and Bob Drysdale from Hearne House as king and queen of the carnival ended on Friday afternoon.

During this period, each house in the school competed with each other to see who could get the most points in the various winter outdoor events.

In the evenings there was a very successful penny carnival, and two sellout crowds for variety night. The house standings, after all the

events were concluded, are: Hearne 892, Thompson 817, Fraser 647 and Henday 562. Hearne's win in the king and queen contest gave them a narrow edge over Thompson.

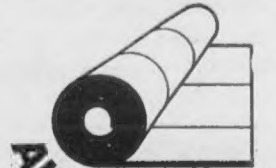

The penny carnival and variety shows made a tidy profit and after expenses are paid the funds will go to support the school's drama fund. This is appropriate since the drama students were involved in the variety performances. They are trying to build up lighting equipment, sets and a

costume bank to help in their year-round program. There is a lot of interest in drama among students and teachers at the school, and under Mrs. Jensen the group came up with quite a number of different performances during the year.

APRIL AID

The income tax help system and how to make it work for you.

As you know by now, we changed a lot of things last year. We gave you a new return, a new Guide, several new deductions and a few new rules. And quite honestly, we were more than a little concerned about your reaction to it all. (And very, very interested in your opinions.)

Well, now that we've had time to really look back at it and assess it honestly, it appears that most taxpayers did not seem to find it too difficult. The error rate did not accelerate greatly or change drastically from former years. Generally, most taxpayers seemed to handle their new returns fairly well.

However, Income Tax will never be the easiest or most enjoyable thing in anyone's life. And it will always present problems in some areas, for some people. That's expected and understandable.

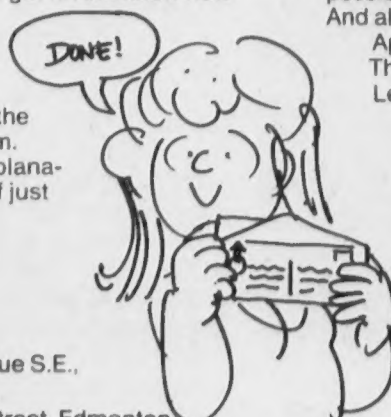

So, what we want to do now is really work on those problem areas. And the best way to do that is to work with you, individually, on whatever part of Income Tax that causes you difficulty.

And that's what April Aid is all about. It's a help system and its primary objective is to ensure that whenever or whatever you need help with, you can get it. And know how to get it.

And this is how it works:

First. Your Guide is always the best answer when you have a problem. Read it. Follow it. It not only gives explanations, but in many cases, examples of just how to figure something out.

Second. If you're still confused or something just doesn't seem to work, phone. The number of your own District Taxation Office is below and at the end of that number there are people whose only job is to help taxpayers with problems, by telephone. And on Mondays and Tuesdays phone lines are open 'til 6 p.m. So don't hesitate.

If you live outside the office area, call the Operator and ask for Zenith 0-4000. She will automatically connect you to your own District Taxation Office. Remember, all calls are free, all questions are answered, and if you have queries, we want you to call.

Third. Some people prefer to talk things over in person. If you're one of them and have problems, drop by for free help. Anytime. The address of your District Taxation Office is below.

Fourth. Write. To the address below. Explain your problem as clearly as possible and include all information. (And your return address, please.) In return, we'll answer all letters as quickly and clearly as possible. Remember—if you need help, it's there. (And free.) And all you have to do is ask.

April Aid.
The Income Tax help system.
Let's make it work for you.

Together, we can get it done.

K40 Club formed in St. Albert

The Kinsmen Club of St. Albert has endorsed the formation of a K40 club this year. The Kinsmen were formed as a young man's club, and in order to meet the requirements of their constitution a member who

reaches the age of 40 completes his service with Kinsmen but may go on into a K40 organization, another plateau in Kin.

There were enough Kinsmen eligible this year to form such a club.

Elected charter officers are Bob McMaster, president; Erling Winquist, secretary-treasurer; Rene Parenteau, director; with members Bruce Daley, John Grave, Bill Hite, Bill Kelcher and Ron Levang.

Executive officers of the newly-formed K40 Club are former Kinsmen Rene Parenteau, director; Bob McMaster, president and Erling Winquist, secretary-treasurer. The new club may turn its attention more to social activities related to Kin fellowship, and rest from the hard labour.

Library presents reviews

The joy of feeling fit!

Most North American men, women and children don't realize that today's pattern of life represents a change from physically active to physically passive. Your hectic life, you will find, demands little of you physically. Cars, trains, escalators and elevators take the physical effort out of getting from one place to

another, and mechanical gadgets minimize the physical "work" in work, whether at home or on the job.

Being in physical shape to live life to the hilt can mean different things at different periods of life.

If you are a young child it means keeping up with other children. If you are a teen-ager, being fit means having the energy and zest

to give your best during school day and still be fresh enough to dance at night.

If you are a young adult, being in good physical shape means having the ability to compete professionally, the good appearance, the energy the poise to make your mark in the world.

If you are a middle-aged adult, being fit means having endurance and zest, keeping physiologically young. It means preventing "middle age spread" and a tendency to go to pot.

If you are an older person, fitness can mean the difference between living your own life and having to depend on someone else -- living a full life for your entire life.

We have some excellent books to help you in a shape-up program: The Joy of Feeling Fit by Nicholas Kounovsky. "Fitness makes for joy in living" says the author.

McGowans mark 50th wedding

Mr. and Mrs. Harry McGowan of Marion Crescent celebrated their Golden Wedding Anniversary with an open house at Westlock on Saturday, March 2, 1974. Mr. McGowan was born in Ontario and Mrs. McGowan in Saskatchewan. They were married in Edmonton in 1924.

They have two children, Philip and Patricia. Philip

and his wife, Sally, travelled from New Jersey to attend the celebration and Patricia and her husband, Stan Sorenson, arrived from Whonick, B.C. After the open house a family dinner was held.

After their marriage, Mr. and Mrs. McGowan made their home north of Westlock for 16 years. They then went to Vancouver until the end of the War when they returned to Edmonton. Remaining there until 1967 when Mr. McGowan retired. Then they moved back to Westlock for six more years before taking up residence in St. Albert on December 1, 1973.

Father Jan marks Education Week

Education Week was observed early at Father Jan School this year. Last Thursday night and Friday, parents, in addition to attending parent-teacher conferences, viewed displays of work done by Father Jan students.

The school gym contained art samples of paper mache, clay, candles, and leatherwork; Science projects by the biology and science option classes; a montage produced by students of religion; an outdoor education display explaining the school program; a VTR demonstration, as well as student photographers taking pictures of parents.

The response to the displays was very favorable and helped to set the tone for parent-teacher conferences.

Mr. and Mrs. Richard Tailleux were married recently in the St. Albert Roman Catholic Church. Richard is the son of Marcel and Theresa Tailleux of St. Albert. Mrs. Tailleux is the former Rhonda Torchia of Edmonton. After a brief holiday in Vancouver the happy couple will make their home in Edmonton.

LETTERS to the Editor

Councillor Hudson speaks out

Dear Mr. E. Jamison:

Please permit me to reply to a number of issues you have raised in your recent "Gazette Reflects" column, as well as your recreation grants position quoted in the Edmonton Journal.

With regard to recreation facilities, the Town Council is well aware that there is need for a number of new facilities to meet the ever growing needs of our population. With this need in mind, we contracted a recreation consultant to conduct an in-depth study of our total requirements, both physical and organizational. The completed study will be presented to Council within the next two weeks. Following this, it is my hope that we can then elect a working recreation board from the citizens at large to carry out the recreation consultant's recommendations. It is also hoped that this board, with the assistance of Town Hall, will pursue the available grants from your government. You, Mr. Jamison, are very aware of this study, and surely you are not recommending that we ignore the consultant's report, forget the formation of a recreation board, and rush into facilities without proper planning. If, by chance, you were misquoted by the press, you could have clarified your position in the Gazette.

In your recent column you state that we municipal politicians should state in definite terms what we plan for an ultimate population -- 30,000? -- 60,000? -- 80,000? Mr. Jamison, as you were aware of our recreation consultant, you are also aware that council recognized the dire need for planning and hired a qualified professional planner and support staff. Near the top the planning department priority list is a new general outlined plan for the town, I for one, will await their expert analysis of the social and economic implications of growth before making a political decision. Isn't that the way the Provincial Government operates? Or, do they make political decisions based on emotion? Due to the tremendous future our region has, because of the energy situation, people coming to the region MUST have a place to live. In view of the basic shelter requirement, I am glad that a politician didn't make an arbitrary decision 12 years ago to stop growth at 6,000. Such action would have prevented you and I from enjoying the "POSITIVE" aspects of life in our town.

Regarding the future development of light industry, you do not appear to take a clear stand. I am not clear as to whether you DO NOT want light industry to locate in the area up for rezoning, or whether you are in favor of this light industry if the assessment is shared with the MD of Sturgeon. I'm sure

you will be interested to know that preliminary discussions with the MD of Sturgeon have been held, and in general, I believe that everyone involved agrees that a sharing of the tax revenue will come about to the extent that the MD will be equitably compensated for things such as road maintenance. How light is the proposed industry? When council receives an official proposal we can answer that question. You can be assured of one stand that council will take. Any industry locating there will be non-pollutant, properly buffered and properly screened. With this ability to control the quality of industrial development, I think that it's not really a bad idea to permit the creation of local employment opportunities, as well as industrial tax revenue, do you? Back to shared assessment for a moment, now that St. Albert has led the way regarding the sharing with the MD, I'm sure that we will be hearing from you in the Legislature pushing for total province wide industrial tax sharing. Don't you agree that provincial, not municipal, action is necessary here. That way you could provide a great service to ALL people in your constituency.

I didn't intend to be this lengthy but please permit me to sum up my views for publication, speaking as only one voice in 7 on council.

(a) Permit council to consider the advice of "experts" in the field of recreation prior to developing new recreation facilities.

(b) Permit our capable planning department the opportunity to provide input prior to making a political decision on ultimate population numbers. After all, conditions here may be somewhat different than in the U.S. where some planners conclude that 35,000 is the ideal satellite town size. Example -- Did these planners have to contend with a senior (provincial) government decision to necessitate a \$4-1/2 million sewer project. Incidentally, this decision I concur with.

(c) I cannot oppose well planned industrial development. I would, however, welcome "provincial legislation" to create province wide industrial tax sharing.

Thank you for the opportunity to answer some of the questions you raise in your fine newspaper, and keep up the good work!

Bob Hudson,
Councillor,
Town of St. Albert.

Mayor Replies

The Editor:

The Gazette Reflects "The Future of This Town" and suggests a green report with emphasis on how St. Albert

can be separated from the concrete, gradually encroaching from the south.

A new planning department was established in 1973 with the prime purpose for the preparation of a General Plan. This General Plan will have input from all levels of our society and is to be a flexible development guide for St. Albert for years to come, entertaining citizen participation throughout.

It is stated the MLA is on record as favoring a town of 35 - 40,000 maximum population. Personally, I would have preferred the town had remained the size it was right after I purchased my lot in 1962. This was not possible because then, as now, there was no legislation to prevent the assistance available allowing for the freeing of population.

If this legislation and monetary assistance is forthcoming in the near future and does not conflict with the Provincial Human Rights Act, which I suspect it would, the Town should be informed immediately in order to allow Council and Administration of the Town of St. Albert to plan for a maximum size related to the best economics for all citizens.

R. M. Gibbon,
Mayor,
Town of St. Albert.

Lesburg hatchet is unique

EDITOR'S NOTE: There has been a lot of interest in the unusual artifact found by Albert Lesburg, a photo of which appeared in the Gazette last fall. The following letter dated Feb. 25, is from Professor Reeves of the Department of Archaeology, University of Calgary.

Dear Mr. Lesburg:

I am returning to you under separate cover the hatchet you kindly left with me to try and identify. Unfortunately, I have had absolutely no luck in getting more information on it. The Glenbow Foundation experts looked over it very carefully but could find nothing to compare it to.

It is made out of a soft siltsstone material much like that used in making Indian pipes. Where it comes from we cannot determine, it isn't Alberta. The hatchet was definitely made with steel tools and the paint is a lead base, suggesting to us that it is an historic artifact, i.e., ca. 1840's. It would be a ceremonial object as the material would not stand up to use.

If you want to look further into this, you could write the Smithsonian Institute in Washington, D.C. Sorry I could not be of more help. The hatchet is "unique" and I would suggest you consider placing it in a museum.

R. O. K. Reeves, Ph.D.
Associate Professor,

The Editor:

Last week I eagerly awaited the arrival of the Gazette in order to get the latest information on the threatened termination of the bus service. I was astonished to find neither news nor comment on the subject. Now that the owners of the Western Bus Lines threaten to eliminate our public transportation we should consider what has brought us to this unhappy situation and how we can remedy it.

Five years ago bus tickets could be purchased at five for \$1. or 20 for \$4. Four years later 20 tickets had reached the present cost of \$8.50 - an increase averaging nearly 20% annually. Now we are told that the service does not pay! It therefore seems odd that the Company is willing to curtail its business without trying an additional increase. What fares WOULD yield a profit?

Several other aspects of the Company's operations seem rather curious. The operating cost alone of commuting by car to downtown Edmonton can scarcely be less than \$2 per day if parking fees must be paid. This is without considering the capital costs of maintaining a car. A bus could do the same for 85¢. Here is a golden opportunity for some effective advertising. The company has ignored it. Why?

Last fall the Company terminated the 4:45 p.m. express from 100 Street and Jasper, saying it was not patronized. Yet the run was unpublicized after its initiation and did not even appear on the bus schedule. In fact, it is rather difficult for those moving to St. Albert to find out anything about the bus service. I have been told by newcomers that it did not occur to them to take the bus. They had assumed that a move to the "suburbs" would necessitate commuting by car. Again, any attempt to "sell" the service has been lacking. One can only conclude that the Company's real interests lie elsewhere and that it is not seriously concerned with operating regular bus services.

While the Company has not exactly presented an image of dynamic capitalism, our elected representatives are not above reproach either. Leaving out the curious affair of the plebiscite taken at the last town election, there are other points that should be considered by our Town Council.

While municipal governments may not be responsible for interurban transportation it is an unescapable fact that St. Albert is a bedroom community whose welfare demands convenient transportation to Edmonton. Loss of our bus system would make St. Albert an impossible place for the elderly, for young adults and all those who do not wish to fight rush hour traffic.

The provincial government has a definite responsibility as well. In the past, interurban transportation has been left to private enterprise, but the present government has introduced

Bus Service Comments

a new feature by encouraging more even distribution of development throughout the province. This approach seems rational and desirable, but requires that the province take some responsibility for interurban transportation and other facilities in the economic infrastructure needed to make the system work effectively.

Beyond these immediate concerns, all levels of government, and all of us as citizens should be concerned in providing attractive alternatives to the present wasteful system of using limited resources to move people, one at a time, in 4,000 pound cars.

Edmund Telfer,
Braeside District.

A new dimension for local hockey

The Over The Hill Gang put on their skates again to show the new generation how hockey was played in the old days on Friday evening. An exhibition game was arranged at the Sturgeon outdoor rink which drew a large crowd of fans to watch athletic types from Springfield and neighboring crescents.

Crazy Legs Lombardy had difficulty in deciding what team he was on and Ding-a-ling Doherty lived up to his reputation as the Flying Scotsman. Monumental Michael managed to keep his cool most of the time.

Referee, Guy Dertou, was often mistaken for his dad, Dave-Devil Dertou, and he received several passes. In one attempt to avoid the puck, he leaped over the boards and got stuck in a snow bank.

Fighting Furber was at his fiercest gashing his stick from the box to assist his team-mates on the ice. He made one or two futile sorties on the ice but not necessarily when his line was on.

Tinkerbell Tessier made great strides towards the opposing goal when he was checked by Prancing Jack Puech. Unfortunately, they were on the same team.

Hockey superstar, Super Cooper, specially imported from England and having two whole hours ice skating experience, claimed that he saw the puck once or twice. He flunked the last line up of the final period on the grounds that the money wasn't good enough. Rumour has it that it was also sheer terror.

Goalenders were Loveable Lemiski and Fred Night-Ryder and goal scorers were George Hinde and Dave Fletcher who scored three between them. Tremendous applause from the crowd was nearly muffled by the heavy breathing and gasping of the players.

After the game, most participants repaired to the Furber residence for Geritol and artificial respiration. For this age group, perhaps hockey is better on television after all.

Writers work on poetry

The Sturgeon Writers' Guild recently held two poetry workshops. Mrs. June Fritch, Canadian Authors Association, Edmonton, came to each meeting to guide and criticize. The first meeting was spent identifying different verse forms and reading examples of each. Several weeks later Mrs. Fritch returned as the writers had turned their hands to poetry and had written enough to fill an entire workshop. From Valentine rhymes to limericks, to sonnets to modern blank verse, the poems were read and analyzed. Mrs. Fritch, who edits the Alberta Poetry Year Book, said she was

surprised and pleased with the work being done in St. Albert. She encouraged everyone to keep "memorizing" in the mail all the time. "For most of the writers present the workshops opened a new field of challenge."

The Writer's Guild, which meets twice a month is planning an evening of learning to use the library as a reference reservoir and an evening on journalism.

There was this man from St. Albert, and a man from Edmonton, standing at the traffic lights at 117 avenue, and the man from St. Albert turned to the man from Edmonton and said,

Historical Society welcomes Grant MacEwan

Dr. J. W. Grant MacEwan was given a particularly warm welcome Thursday evening at the dinner meeting of St. Albert Historical Society, receiving three standing ovations from the 65 people who attended. They occurred spontaneously when he was introduced, after his address and when he was thanked.

Arlene Borgstede, president of the Historical Society Board introduced the head table guests, Dr. and Mrs. MacEwan, MLA Ernie Jamison and Mrs. Jamison, Mayor Ray Gibbon and Mrs. Gibbon, Mr. Borgstede and Father Collin Levangle.

She said she hoped that this first anniversary dinner of the Society would become an annual event, and was encouraged by the turnout. Father Holland said grace, and Rene Parenteau proposed a toast to the Queen. Following the dinner Mayor Ray Gibbon was called upon to introduce Dr. MacEwan. He reviewed the considerable and varied accomplishments of the Lieutenant Governor, including his contribution to agriculture, his academic achievements and the seven universities which have honored him with a Doctor of Law degree.

Dr. MacEwan said that he had skated against the Mayor - and had lost; had bicycled against him and lost - but tonight, having dinner with you, Mr. Gibbon, and I ate more than you! He went on to say how rich in history

St. Albert is - as much as any centre in the province - and congratulated the Society on their work, saying he was pleased with the growing interest in history in many communities in Alberta.

He opened his address by saying that his own interest in history grew from no interest in high school, when he hated the subject, to interest as a pastime activity, to the realization that a knowledge of history was essential, both for individuals and for nations, in order that past mistakes are not repeated.

While on a speaking tour during Brotherhood Week just recently, Dr. MacEwan said he went to the Royal Ontario Museum and stood and gazed at an old, tattered, motheaten Indian head-dress. "It spoke to me of History and of Brotherhood," he said, "and I confess it brought tears to my eyes."

He went on to develop his remarks on the value of knowing history at both national and individual levels.

A pioneer people once set out with vigor and determination to use their country's wonderful resources. Farmers, engineers, soldiers, miners - all the people worked hard, fought hard to build their nation. As the years passed their soldiers spread out and brought home rich booty - and Rome grew powerful and wealthy.

Then the people said they deserved to relax, and enjoy their wealth, 2,000 years ago

they built a coliseum which could hold 250,000 football fans - Oh no - I guess they didn't have football, said Dr. MacEwan drawing laughter. But they had their rough games. The farmers thought they too should have fun and moved into Rome - farm depopulation - an interesting reminder. The women imported silks from China for lavish gowns. Not all were rich - some were just managing, some were desperately poor. But there was money in the welfare state to take care of all. Taxes went up and up and up, inflation set in. The bugs that were beginning to eat the foundations were not visible, but they were at work. An interesting reminder, said Dr. MacEwan again.

He then told the story of an individual pioneer who built an empire in Alberta. I don't want to be only gloomy he said, and described how C. S. Noble built an agricultural empire, starting with nothing and growing to the point where during the first war, when food supplies were desperately needed, he was the biggest single producer in the British commonwealth. After the war he lost his empire through drought, no crops, insupportable debt. But Mr. Noble started - he remembered his mistakes - and built a second empire in agriculture.

And then the western historian went on to talk about two men and their role in

the history of Western Canada. Holding his audience spellbound he told the story of Sitting Bull and Captain James Morrow Walsh of the RCMP. The fascinating account, with its immense impact on the history of the west, was also a lesson in brotherhood, which tied together the theme of Dr. MacEwan's talk.

How a relationship which started from hatred and fear grew from "perhaps we can talk," to admiration, to friendship and trust. So that when Sitting Bull had to leave Canada with his Sioux people he gave his most valuable and treasured possession to James Morrow Walsh - the head-dress he had worn at the "Custers Last Stand" battle, and in all the major battles of his career. In later years Capt. Walsh gave it to Mr. Van Horne, and from there it went to the Royal Ontario Museum.

Which brought Dr. MacEwan back to his opening remarks and now, he said - it's time for me to quit.

The audience stood and gave him a prolonged ovation, and it was very clear that nobody thought he had spoken too long.

It is always a special occasion, said MLA Ernie Jamison, in thanking Mr. MacEwan, for any gathering of Albertans to be in the company of their Lieutenant Governor, and in particular to hear Dr. MacEwan speak on the history of our country. Mentioning that he had spo-

ken last week to 500 young people in Guides and Scouts in St. Albert, Mr. Jamison said he believed that these two interests, young people and history, were closely related to the basic attribute of this remarkable man his delight in people and his sincere interest in all kinds of people. He said that the people of Alberta have much to thank Dr. MacEwan for, through his contacts, speeches and books on our historical heritage.

Mentioning that the time is drawing near when Dr. MacEwan will no longer serve as Lieutenant Governor Mr. Jamison said he

believed that every Albertan will feel a sense of sadness and loss when that time comes. "But we hope, sir that you will continue to do some writing, and give us more books like Sitting Bull." In closing he asked Dr. MacEwan to accept warm good wishes for the future from everyone present.

Mrs. Borgstede on behalf of the Historical Society presented the Lieutenant Governor with a framed photo of an original sketch of St. Albert in 1877, which hangs in the museum. Both Mr. and Mrs. MacEwan were obviously delighted with the gift and expressed their thanks.

The Welcome Wagon Newcomers Club were entertained with a fashion show on Tuesday, February 5. The fashions were made and modelled by students of N.A.I.T. Many of the outfits shown had detailed embroidery around the hemline or on sleeves. Three young boys modelled vest and slack outfits. The show was under the experienced eye of Mrs. Trudy Jansen instructor at N.A.I.T.

Canada Post
Post Canada

Tender

The Canada Post Office is inviting tenders for a five year contract for the St. Albert, Alberta, combined Urban Service (Delivery of parcel post, postpak, special delivery items and clearance of mail receptacles).

The service operates seven days a week and requires one full-time vehicle having a carrying capacity of 250 cubic feet plus one vehicle to be used Part-Time.

Tenders will be accepted only from residents or Business Firms situated in Sherwood Park, Edmonton and St. Albert. This includes customers served by rural routes emanating from these offices and firms operating an agency, branch office or head office at any of the aforementioned locations.

Necessary information as to schedule, terms, conditions and specifications of contract including printed tender forms may be obtained from the Postmaster St. Albert, or:

Director,
Alberta Postal District
9828 - 104 Avenue,
Edmonton, Alberta.
T5J 2T0

Closing date for receipt of tenders is 3:00 p.m., March 20, 1974.

Jim Parker heads Historical Society

Slate of officers for the St. Albert Historical Board was presented to the annual meeting Thursday evening by Dr. J. W. Chalmers for the nominating committee.

Jim Parker was elected as president and Arlene Borgstede remains on the board as past president and parish representative. Lucy Hermans is vice-president, Dorcas Gordon, secretary and Gordon Unger, treasurer, with Rita Frost and Sylvia Walsh elected as members at large. Mayor Gibbon announced that Renee Laird, former secretary, will act as his alternative as Council representative on the board. Following the election Mr.

Parker took over the meeting for new business and his motion for a vote of thanks to Mrs. Borgstede was enthusiastically applauded.

In the annual report of the president, Mrs. Borgstede reviewed the work done over the year in an effort to raise money for the new museum, and reported on membership, which grew to 54 under chairman Rene Parenteau, and on the various programs presented at meetings through the year.

Father Collin Levangie gave the treasurer's report, noting that the board is not in the hole. Revenues came through donations from the Town, the parish and from

the collection box in the museum, among others. Major expenditures were for renovations and display cabinets within the crypt area.

Curator, Andy Boyer reported on the progress made on renovations in the crypt area and displays, and on work being done through taped interviews with early district families such as the Cunninghams and Calihos. Lucy Hermans is assisting the curator in this program. The possibility of setting up a junior historical society in co-operation with some interested local teachers was also reported by Andy.

French social Club off to fine start

The French Canadian Social Club, with Mrs. Madeleine Roy as convenor, hosted a most enjoyable card party at the Parish Hall recently. People had a chance to visit and renew old friendships as they moved from table to table playing cards. The high score for the ladies went to Mrs. Francoise Letourneau. Mr. Jean Paul Roy took the high score prize for the men. Low scorers were Mrs. G. Journoud and Mr. Henri Normandeau.

At the conclusion of the card game, a lovely lunch of wine and cheese was served. A short entertainment

period followed with Mr. David Gervais acting as master of ceremonies. Mr. Antoine Deschenes accompanied by Mrs. Leona Martineau on the guitar gave a delightful vocal rendition. Mr. Jean Paul Roy accompanied by Mrs. Therese Regimbald on the piano delighted the group with plenty of toe-tapping music. Miss Martine Journoud sang a beautiful modern song. The evening was crowned with coffee and a piece of beautiful cream cake.

Mrs. Florence Lefebvre on behalf of the Regional Committee of the Association Canadienne Francaise de l'Alberta presented Mrs.

Roy with a cheque for \$25 to launch the club.

The French Canadian Social Club headed by Mrs. Madeleine Roy and assisted by Mrs. Pauline Bolduc, Mrs. Lucille Rondeau, Mrs. Therese Tailleux and Mrs. Therese Regimbald, were most pleased with the support received for this first event from business people and individuals who donated prizes and helped with the arrangements.

Lions honour member at farewell party

Prior to leaving for his new home in Whitehorse, Yukon, Lion John Huberdeau was feted at a party hosted by the Breakfast Lions in St. Albert Inn on Feb. 26.

About 50 members of the St. Albert Lions Club and Breakfast Club, with their ladies turned out to honor John and a highly enjoyable evening was the result. Refreshments helped to lubricate vocal chords, strained from participation in singing several old favorite songs to piano accompaniment.

As Lion John had already received a presentation from the Breakfast Lions at their regular meeting that morning, his charming wife Lucy was called upon to accept a bouquet of flowers, and a scroll, presented by Doc Cuts, after speeches of appreciation and farewell had been made by Bert Freethy on behalf of the Lady Lions, and Rock Holman of the Supper Club. All present extended Bon Voyage and Best Wishes to the Huberdeaus.

"Now here's a model that by actual test is capable of waking 98 percent of all sleepers at two A.M."

Lion John has a distinguished record of service in Lionism during his seven years of membership. He has served in many important capacities, including secretary, president, ways and means committee, membership committee, bulletin editor, among others. In each position, he has performed his duties excellently, and leaves the Lions who follow him a large pair of shoes to fill.

Young craftsmen do well in model building contest

A model building contest sponsored by Robinson's Pet and Hobby store attracted wide interest among the younger generation in St. Albert and turned up some very good work.

The models were put on display Feb. 23 and judged by Gerry Ward, Lawrence Johnson and Mr. Creighton in three age categories: 5-11 years, 12-15 and 16 and up.

Prizes were awarded for first, second and third placings in each category, with a special prize of a Junior Aquarium kit donated by Hartz Mountain, which was awarded to James Bosiak, who also won first in the 16 and up section.

Prize winners are:

5 - 11 Category - First, Brody Ficko, 58 Sunset Blvd. second, Cameron Swist, RR 1 St. Albert; third, Gary Rusnak, 43 Gatewood Ave. Honorable Mention - Jim Nicklial, Scott Rusnak, Mike Harrington.

12-15 Category - First, Rolf Pritchard, 3 Broadview Cres., second, Mitchell Lock P.O. Box 3316; third, Kevin

Contest winners in the Model Contest sponsored by Robinson's Pet and Hobby store and judged by an independent panel: back row from left Mitchell Lock, Brian Farquhar, Kevin Tyler and James Bosiak. In the front row are Cameron Swist, Brad Ficko and Gary Rusnak, Marty Berg.

Tyler, 30 Balmoral Drive. Honorable Mention - Michael Barton, Dale Hunter and Kevin Tyler.

16 and Up - First, James Bosiak, R.R. 1 St. Albert; second, Brian Farquhar and third, Marty Berg, 74 Greer Cres.

On Monday Honorable Marcel Lambert, Member of Parliament for Edmonton West visited Lorne Akns School and talked to the Grade 9 students on the government system. The students enjoyed the talk and thanked Mr. Lambert for coming out and speaking to them. Mr. Lambert spoke to St. Albert High students last week.

Lacombe school

Monica Tap won the position of Minister of Education for a day. Her essay on "My Teacher" was selected from many as the best in Northern Alberta.

The children at Albert Lacombe School are taking part in a number of competitions in such areas as oratory, posters, and essays. Results will be known at a later date.

Mr. George Soetaert, assistant superintendent, will speak to the Grade 6 children on education in Alberta with emphasis on St. Albert.

Parents are invited to Albert Lacombe School Thursday, March 7 and Friday, March 8 from 1 - 3 p.m. to see the students involved in a variety of activities.

Thursday will be for

Grades one to four and parents and visitors can see finalists in the oratorical contest, group singing, a French play, displays, a short film on religion and hear readings by students.

On Friday, March 8 students in Grades 5 and 6 may be seen at work on some of the activities they are involved in, many of them under school club programs such as gymnastics, dancing, radio programming, science activities, choir and oratorical contest finalists. In some cases where clubs have not been in operation for very long, displays are limited, but weaving, mobiles, sewing and knitting and samples of school work will be on display.

Comets bounce Rebels - now meet old rivals in playdown with Eagles

A large number of St. Albert fans attended Drayton Valley last Sunday to watch the Comets win an easy 7-3 game. Shortly after this snap was taken Phil McCargar (between 3 and 11) took a pass from Perry Pearn and scored St. Albert's seventh goal.

Junior Bruins trip Leduc in final League game

St. Albert Junior Bruins hockey team finished off the regular season schedule in fine style Sunday in St. Albert with a 7-2 win over Leduc Riggers. Last Tuesday the Bruins playing one of their best games of the year defeated the strong U of A Junior Bearcats 4-3 on Tim O'Neill's breakaway goal in the third period.

In Sunday's game the Bruins received excellent goaltending from young Carrey Winkist, who allowed Leduc only two goals, one on a power play while Alex Jensen was sitting out a roughing penalty. Leduc scored the first and last goal of the game.

Mike Chupka gave Leduc a 1-0 lead at 3:18 of the first period. Perry Whan scored the first of two goals at 8:25 with Jensen and Tim O'Neill drawing assists, to tie the game. The O'Neill brothers then went to work with Mike scoring from brother Tim at 11:25 and Tim from Jensen and Kelly Mc-

Avoy at 19:43. The last goal came while the Bruins had a power play working.

In the second period Bob Pearn made it 4-1 on an unassisted goal and Whan got his second with Craig Neeser assisting midway through the period.

Don Boyce from Neeser at the 12:00 minute mark of the third made it 6-1 and Pearn's second goal increased the Bruin lead to 7-1 at 13:51. Bob Young scored the final goal of the game at 15:37 while the Riggers had the power play on.

Young Winkist stopped 29 Leduc shots, many saves verging on spectacular. Winkist was also in goal in the Bruins 4-3 exhibition win over the Bearcats.

Mike Pearce, Kelly McAvoy and Perry Whan scored for Bruins in the first period while Larry Wall scored for the U of A for a 3-1 Bruin lead. U of A came back with two unanswered goals in the second by Wall and Jim Ofrim to tie the

game. Tim O'Neill made no mistake on a breakaway midway through the final period to score the winner in an excellent 4-3 win.

Bruins also travelled to Westlock for a exhibition game Friday night. Only 10 players showed up and Bruins lost 8-5 after leading 3-0 early in the second.

Westlock scored four goals in the last period to erase a 5-4 Bruin lead after 40 minutes of play. Mike Pearn scored three for St. Albert with Alex Jensen and Kelly McAvoy getting the others.

Mike Auger scored three for Westlock.

Bruins play the second game in their best of five semi-finals this Sunday in St. Albert against the Waterloo Mercurys.

Tuesday, March 12 in Jasper Place Arena at 8 p.m.
*Friday, March 15 in St. Albert at 7:30.

*Sunday, March 17 in Jasper Place Arena at 2:30.

*Last two games may not be necessary

Jasper Auto Parts Comets advanced to the intermediate A northwest zone finals Sunday with a 7-3 win over Drayton Valley Rebels in Drayton Valley. They also won the opening game 7-6 in the two game total goal series. Comets were full value of their 14-9 goal margin.

St. Albert will now meet their old rivals, Westlock Eagles in a two game total goal series starting this Friday in St. Albert at 7:30 p.m. The second game goes in Westlock Sunday evening at 8 p.m. The winner of this series will play either Peace River or High Prairie of the Peace River Zone 1 division. The loser drops into B division against the loser of Zone 1. Eagles defeated Fort Saskatchewan Huskies 12-3 and 4-2 to win their two game series, 16-5 in total goals.

Comets controlled much of the play in both games although their 7-6 come from behind win in St. Albert Friday night didn't show it.

Drayton Valley Rebels on two goals by captain and coach Sam Belcourt and one by Art Assman took a 3-0 lead with only 13 minutes gone in the opening period. St. Albert had numerous chances plus a couple of goal posts but couldn't score until Perry Pearn finally slipped one by Rebel goalie Barry Pankewicz at 15:17 as the period ended 3-1 for Drayton.

Jerry Wilkes made it 4-1 for the Rebels at the 4:00 minute mark of the second. Comets all-star defenseman Rich Perrault blasted a shot from the point at 4:42 to make it 4-2 and Harvey Kirkland's goal at 7:17 made it 4-3. Rebels took a two goal lead again at 9:57 on a deflection by Terry McGowan on a point shot. Doug Bell poked in a rebound at 10:59 to cut Drayton's lead to one, but a penalty shot goal by Bellcourt at 12:06 gave the Rebels a 6-4 lead going into the third period. The penalty shot called by referee Bill Bucyk was questionable as Dale Ripple blocked a shot with his chest while in goal for St. Albert after Jakubec had been caught out.

In the third Comets again controlled the play but were not having any luck around the goal. Finally at 16:18 Gary Leskow scored on a deflection from defenseman John Toner's shot from the

point. Harvey Kirkland then took a perfect pass from Perry Pearn and beat Pankewicz from close in at 17:31. Pearn then put Kirkland into the clear on another excellent play and Kirkland slipped home the winner with two seconds remaining on the clock.

The game was an excellent crowd pleaser with only 15 penalties being called. Comets taking eight, Kirkland and Pearn had an excellent game as each picked up four points. Pearn assisted on all three of Kirkland's goals while Kirkland helped out on Pearn's goal.

Coach John Arnot would have liked to have had a bigger goal margin going back to Drayton Valley but felt if he could contain ex-Comet Henry Hodgson and Belcourt they would win.

The Comets did exactly as Arnot requested, allowing only Belcourt and Hodgson one point each in an easy 7-3 win in Drayton before a large crowd of 585 including over 150 St. Albert fans.

Comets took a 3-0 first

period lead on goals by Leskow, Couves and St. Cyr. Bell, Pearn and Kirkland made it 6-0 in the first six and one-half minutes of the second to put the game out of reach.

Sam Belcourt, on an attempted pass out from behind the net had his shot deflected past Jakubec for the first Drayton Valley goal late in the period.

Drayton Valley got two goals from big Barry Ness in the final 20 minutes while Phil McCargar poked one in for St. Albert as the Comets took a 7-3 win and 14-9 two game total goal series.

Comets outshot the Rebels 53-33.

Rebel coach Sam Belcourt came into the Comet dressing room following the game and stated St. Albert was by far the best team they had faced all year and were a well balanced club. Sam had played with many of the Comets in previous years.

Don't forget this Friday's provincial game with Westlock Eagles in St. Albert at 7:30 and Sunday's game in Westlock at 8 p.m.

Leddy - Billsten lead Midgets in 2nd round

Four goals by defenceman Terry Leddy and the outstanding play-making of captain Darrel Billsten, last week carried St. Albert midgets past Barrhead in the second round of provincial playoffs.

Leddy's four goals came after he received a six-stitch gash over the eye in the opening minutes of action, and had to be treated at St. Albert Sturgeon General.

Billsten scored one goal but assisted on seven others, as the Sportshop Barons skated to a 9-5 win over a surprisingly tough Barrhead team.

The 9-5 win Thursday followed a 2-1 win in Barrhead by St. Albert two days earlier, and gave the Barons the round 11-6.

St. Albert now meets Drayton Valley in the third round of zone playoffs.

In Tuesday's 2-1 win, Billsten tallied both St. Albert markers in the third period, including the winner at 18:26, to give the visitors a one-goal lead in the two-game total goal playoff.

Terry O'Brien had opened scoring at 2:54 of the opening period when he beat St. Albert netminder Dennis Lafleur with a slapshot from close in, and that lead held up until Billsten's first marker at 5:22 of the third.

Billsten won the faceoff deep in Barrhead territory and skated in alone in front of goalie Tim Ernst, beating him from 10-feet with a rising backhand.

Then, with just a little over a minute and a half remaining, Doug Cinnamon carried the puck deep into Barrhead territory and flipped a perfect backhand pass over to Billsten who deflected the winner past Ernst.

In Thursday's action Chris Hoffart drilled a low drive by Ernst from close in, after a scramble in front of the Barrhead net and St. Albert

had a 1-0 lead after only two minutes.

Five minutes later Del Sitke converted a three-way passing to beat St. Albert netminder Keith Logan, but left-winger Steve Foreman gave St. Albert the lead with four minutes remaining in the first period when he out-hustled a Barrhead defenceman and drove a rising shot into a two-inch opening.

Barrhead came back to tie the game 2-2 with four minutes gone in the second frame, when Lawrence Kosik beat Logan, but then Billsten beat Ernst from 15 feet out and St. Albert playing two-men short, to give St. Albert a 3-2 lead.

A minute later Barrhead tied the game on Kosik's second marker and then with less than three minutes remaining in the period, Leddy arrived back on the ice after missing about 30 minutes of action.

With a minute and a half remaining, Billsten won a faceoff deep in Barrhead's end, passed back to defenceman Chris Hoffart who then relayed the pass to Leddy. Leddy walked in and drove a low shot past Ernst, who was partially screened.

Eleven seconds later Billsten carried the puck into Barrhead territory and passed back to Leddy who again hit the corner with a driving 40-foot shot and St. Albert had a 5-3 lead.

In the third Barrhead got within one when Kosik picked up his third of the night at the midway mark, but a minute later Steve Foreman notched his second.

Barrhead however didn't quit, and Grant McDonald's goal at 14:06 had the visitors back in the game, but John Wells converted a Foreman-Billsten pass a minute later which proved to be St. Albert's insurance marker.

Then at 18:23 Leddy scored his hat-trick with a low drive from close in after

taking a breaking pass from Billsten, and at 19:05 he got number four when he teamed up with Billsten and Cinnamon.

St. Albert took 13 of 18 penalties in the free-wheeling contest, including misconducts to netminder Keith Logan and forward Steve Lister.

St. Albert also took 14 of 21 penalties in the 2-1 win, with Gary Ferguson picking up a misconduct and a game misconduct. Forwards Tom Parayko and John Wells also were given 10-minute misconducts.

St. Albert's upcoming two-game series with Drayton Valley shapes up to be highly exciting, as each team has one victory against the other. Drayton Valley beat St. Albert 5-2 in a midget tournament at Christmas in Barrhead, but St. Albert reversed the score a month later in Drayton Valley, beating the hometown for a midget tournament championship. The St. Albert victory was the first time in four years the tournament had been won by an out-of-town team.

Comets & Eagles in semi-finals

Jasper Auto Parts Comets won their final league game by default over Winterburn Tomahawks last Wednesday and ended regular season play tied with Sherwood Park Barons with identical 22-6 won-lost records. Barons were awarded first place in the league standings as they outscored the Comets by two goals in their four games against each other. Leduc Oilers pulled into third spot, one point ahead of Westlock with a final game 8-6 win over Barrhead Sabres.

Comets now take on Westlock in a best of five series

St. Albert finished last Wednesday to wrap up first place in the bantam division of the Northern Alberta Minor Hockey League.

Chiefs now await the winner of the best-of-three semi-final between Westlock and Barrhead.

The game at Westlock was marred by an incident at the end of the game which saw a Westlock player, already assessed a cross-checking penalty, wrap his stick around Larry Sander's head from behind, cutting him on the jaw. As Sander slumped to the ice, the player dropped his stick and doffed his gloves and went to work with his fists.

When order was restored and the players went to their dressing rooms, a Westlock fan came down the corridor and struck Ronnie Sander over the right eye, opening a cut.

Sander was temporarily patched up at Westlock Hospital and then received five stitches at Sturgeon General on return home. He went for tests at University Hos-

pital on Saturday and was readmitted Sunday night for further tests as he is suffering double vision.

The incident is under investigation by RCMP at Westlock.

The game was the quietest up to that point that the teams had enjoyed this year. Twice St. Albert players were attacked from behind in St. Albert a week ago Monday, when they won 7-1, but on Wednesday there had only been seven penalties, five to Westlock, before the flareup.

St. Albert held period leads of 4-1 and 10-1 in the scoring part of the game. Ronnie Sander and Gilbert Longpre each had two goals and two assists; Kenny Young had three goals, Paul Mc-

Cann two and Larry Sander Blake Millroy, Greg Brandenbarg and Kenny Strand one each.

Chiefs ended the season with 15 wins and three losses.

Legal Midgets win

The Legal midget provincial team defeated Bon Accord two straight 3-1 and 5-0 to advance into the third round of the provincial midget playoffs. The first game of their series with Westlock will be played Sunday in Legal at 8 p.m.

No date for the second game is known at press time

(IN OMNIBUS IN SPICE VIREM)

Town of St. Albert

GROSVENOR PARK SWIMMING POOL

(OPEN AIR POOL)

Applications are invited for the following positions:

1. Pool Supervisor
2. Assistant Pool Supervisor
3. Lifeguard-Instructors
4. Cashiers
5. Night Attendant

Salaries will be commensurate with qualifications and experience.

Apply in writing, stating qualifications and experience, to: Town Clerk, Town of St. Albert, Town Hall, St. Albert.

Submit applications before March 22, 1974.

Kinsmen Midget tournament

If all goes as planned the Kinsmen Midget Tournament slated for April 6 and 7 will be a dandy. The tournament will decide the champions of the six team house league, in place of a series of round-robin playoffs as has been the case in previous years.

One of the tournament organizers Mike Hampel of the RCM Police advised the Gazette that a number of exciting action events are being planned between games.

The tournament starts at 6 a.m. Saturday, April 6 and at 8:45 a.m. the semi-final game of the Western Canada RCMP playoff finals will take place (free admission).

Six trophies will be up for competition and winners will be selected by a three-man committee. These will go to the best forward, defenceman, goalie, top goal scorer, least scored upon goalie and team winner.

Three stars will be selected after each game.

A Hockey Showdown as seen on TV will take place between each game with teams sending their best shooters (two) and goalies. The eventual winners will receive a trophy.

Plans are underway for

CJCA morning man Bob Arnold to announce the goals and assists in each game, a job he does very well for the Edmonton Oilers.

Please watch the Gazette for further announcements.

Hercules Soccer Registration

FOR BOYS BORN 1958 TO 1968
FOR GIRLS BORN 1959 TO 1962

on Wednesday, March 13, 1974 from 7 to 9 p.m. at Leo Nickerson School - Sturgeon and Albert Lacombe School - Grandin.

FEES - \$5 per single membership; \$7 per family membership.

NOTE - This is the FINAL general registration. After this date applications will only be accepted at the St. Albert Parks and Recreation Department provided additional players are required for team vacancies.

Learn-to-GOLF in St. Albert

A 6 LESSON COURSE COMMENCING TUESDAY, MARCH 19, 1974.
IN SIR GEORGE SIMPSON SCHOOL, GROSVENOR BOULEVARD

Lessons will be held on Tuesday evenings and Saturday mornings. The class will meet for the first time on Tuesday, March 19 at 7 p.m. when there will be films and general discussion.

Starting on Tuesday, March 26, lessons will be held from 6:30 - 7:30 p.m. or from 7:45 - 8:45 p.m. on Tuesdays and on Saturdays from 9:30 - 10:30 a.m. or from 10:45 - 11:45 p.m. The last lesson is at present scheduled to take place on Tuesday, April 9.

FEES: ADULTS - \$6.00 -- STUDENTS - \$2.50

Equipment provided but participants are required to wear soft-soled shoes. Registrations, accompanied by fees, will be accepted at the Town Hall till 4 p.m. on Monday, March 18. Cheques should be made payable to the "Town of St. Albert."

Instruction by Mike Tomash

Pro-Manager at Sturgeon Valley Golf and Country Club, assisted by Mr. Ralph Strano.

Cycling course held at Page Centre

Last weekend the Alberta Bicycle Association ran an officials' upgrading course at the Percy Page Centre. After the registration on Friday evening those enrolled on the course adjourned to the St. Albert Inn for a social evening sponsored by O'Keefe.

Before the course started on Saturday morning, the athletic consultant from the Provincial Department of Culture, Youth and Recreation, Gary Milne, told those present about some of the new provincial programs for helping amateur sport, and explained how the Percy

Page Centre fitted into these plans.

The course proper was designed to increase officials' knowledge of rules and procedures and to help them implement these in a fair and just way.

Much interest was generated by the section on doping and stimulants and it appeared that cycling is ahead of other amateur sports in dealing with athletes' use of drugs to enhance performance.

At the end of the course the candidates were examined on all aspects of officiating for road and track

cycling and successful candidates were given registration cards and Canadian Cycling Association diplomas.

The instructors on the course were: Peter McCaffery of St. Albert, and Keith Walker of Vancouver, B.C. Both of these graduated from an International Commissaires' course held in Cardiff, Wales in March, 1973 and both will be officiating at the World Cycling Championships which this year are being held in Montreal.

Of the 22 people who registered, 18 sat the oral and written exams, 15 passed, nine with honors.

Chiefs edge Leduc in playoff opener

St. Albert Fire Chiefs put on probably their most gritty performance of the season before 200 fans in St. Albert and District Arena Sunday afternoon, downing Leduc 4-1 in the opening game of their two-game total-goal zone semi-final.

The St. Albert bantam hockey representatives went into the game without Ronnie Sander, their top scorer, and Donald Oulette and Blake Milroy, all out with injuries, and then lost defenceman Joe Tworek on the first shift of the game.

Chiefs controlled play for the first period, however, built up a 2-0 lead and then weathered a second-period storm which saw Leduc score the only goal, as Glen McEneaney came up with a stand-out effort in goal.

In the third, with McEneaney still hot, Chiefs scored twice to take a three-goal lead to Leduc tonight.

Dave Shipanoff, Larry Hubbs, Larry Sander and Kenny Strand scored for St. Albert. Pat McGill scored for Leduc.

Sander kept up the high-

scoring pace he set at the start of the provincial playoffs, adding two assists to his goal. Dave Shipanoff also had two assists and Hubbs, who replaced Milroy on the line, had one.

Chiefs relied heavily on bench strength for the game and it came through. Kenny Young moved into Ronnie Sander's spot at centre and Bob Drysdale took over from Joe Tworek and both played steady games. The two are registered members of the Chiefs but play in the A house league as Chiefs can only dress 17 players, although they carry 19.

It looked gloomy for Chiefs at the 11-minute mark of the third when, nursing a 3-1 lead, they lost Gilbert Longpre on a major penalty for boarding and Paul McCann on a misconduct for questioning the call.

Longpre right now is just about the best bantam defenceman in the area and McCann is also a top penalty killer. However, Chiefs, on the strong forechecking of Larry Sander, Graham Brown and Shipanoff and some solid blueline work by Dave Fraser and Colin Wear kept Leduc at bay.

CLASSIFIEDS GET FAST RESULTS.

PH 459-7144.

STURGEON LEAGUE

Legal Citadel Canadians first place league finishers capped a brilliant season Friday in Morinville with an excellent 4-2 win over Nampoo, to take the Sturgeon Valley Hockey League finals in three straight games. Legal won the opener 6-5 and the second 4-1, both in Legal. This marks the first time Legal has won the championship in a number of years.

In the opener Red Pelletier scored three goals to lead Legal in their 6-5 win. Nampoo had a 4-3 lead going into the third period but couldn't hold Legal back as Louis Martineau scored the winner at 13:17 of the final period. Bert St. Martin and the league's leading scorer Darcy Brissson scored the other Legal goals while Adolph Yeske had a pair for Nampoo. Dale Hegadorn, Bill Akerman and Tom Powell scored the others. Legal took seven of 10 penalties allowing Nampoo to score two power play goals.

In the second game Nampoo took a 1-0 first period lead on Derek Nelson's goal late in the period. Legal tied the game at 5:17 of the second period on a goal by Darcy Brissson and went ahead 2-1 on Red Pelletier's goal that proved to be the winner. Bob Pelletier and Laurent Coulombe scored third period goals. Louis Martineau and Guy Charrois assisted on three goals each.

In the final game Legal took a first period 3-0 lead on goals by Red Pelletier (unassisted) at 7:37, Darcy Brissson from Danny Prefontaine and Martineau at 8:09 and Bob Pelletier's goal

from Laurent Coulombe and Brent Hogue at 14:20.

Nampoo finally got on the scoreboard at 17:55 of the first period on a goal by Len Crozier.

Ron Brimacombe scored at 3:09 of the second from Derek Nelson and Norm Robby to pull Nampoo within one of Legal. The

second period ended 3-2 for Legal.

Guy Charrois scored the insurance goal for Legal with only one minute to play in the game with Coulombe and Martineau assisting.

Calahoo Scorpions won the championship last year and were beat out in the semi-finals by Nampoo.

Folks & Kids off to Calgary

The 1974 "Folks and Kids" Bowling Championships conducted during the month of February at the Grandin Lanes in St. Albert are now a thing of the past. Twenty-three local legkies qualified for the Alberta Provincial Finals to be held this weekend at the Fairview Lanes in Calgary.

With the exception of Larry and Rick Schuchard, (1973 Alberta and Canadian "Folks and Kids" bowling champions, who will return to defend their laurels), this year's champs and runner-ups are tasting victory for the first time. A new "first" developed this year when Mrs. Gall Brook became a double winner, rolling to a first place with daughter, Debbie, and a second place with son, Brad, both in the bantam category.

Other winners were as follows: Pee wee Girl: Marlene and Bill Kelcher; Pee wee Boy: David and Lyle Scott; Bantam Girl: runnerup, Karen and Mavis Mallinson; Junior Girl: first place, Diane and George Vincent; runnerup, Allison and Aud-

rey Case; Junior Boy: first place, Mark and Pat Dobko, runnerup, Les and Irene Orlick; Senior Girl: Debbie Yurkew and Astrid Roberts, first place; runnerup, Kathy and Karol Hauptman, will make the Calgary trip. Senior Boy: Garth and Jim Roberts.

St. Albert's representatives will stay at the Majestic Inn in Calgary as guests of Mr. Leon Kryger of Grandin Shoppers Park and Nina Ible of Grandin Lanes. The runner-ups in the bantam and junior divisions will also make the journey south.

Then there was the teenage rock'n-roll hunk who called up what he thought was a music store and reached a hay and feed store by mistake.

"Have you got 'Two Red Lips and Seven Hot Kisses'?" she asked.

"No," said the hay and feed man, "but we've got two tom cats and seven kittens."

"Is that a record?" the puzzled music fanatic said. "We think it is!"

REC NEWS

GOLF:

Please see the advertisement for details about the learn-to-golf school which will be starting on March 19.

HERCULES SOCCER:

Soccer registration will be on Wednesday, March 13 in Leo Nickerson and Albert Lacombe Schools from 7 - 9 p.m. on both evenings in both locations.

CHESS:

The St. Albert Chess Club normally meets in the Clubhouse every Wednesday evening. However, from

March 13 a Landscaping Clinic will be held in the Clubhouse each Wednesday for five weeks and the Chess Club will meet elsewhere; the place will be announced in next week's Gazette. In the meantime, for information about the club and where it will be meeting, please phone Stuart Embleton at 459-8937.

FIGURE SKATING

CARNIVAL:

Don't forget the Ice Carnival. Two performances are being held this year: Satur-

day, March 30 in the evening and Sunday, March 31 in the afternoon.

ARTS AND CRAFTS:

Boys who attended Mike Kay's advanced model aircraft class before Christmas are reminded to pick up their missing propellers at the Recreation Department, if they haven't already done so.

Phone Flo Dutka at 466-8706 or Laura Taylor at 434-2689 (evenings) if you are interested in needlework and in the formation of a Guild or Society.

SKATING IN ARENA:

There will be no public skating in the arena on Wednesday evening, March 13 because of the figure skating tests which will be taking place at that time.

PHYSICAL CULTURE:

After the cancellation of the class last week, physical culture classes resume on Thursday, March 7 at the usual times.

OPPORTUNITIES

FOR YOUTH:

Information about the Federal Government's "Opportunities For Youth" program can be obtained by phoning 425-7535.

Nordic skiing Sunday

The Nordic Ski Club will be cross country skiing Sunday in the Seminary area and skiers will meet at Sturgeon Shoppers Plaza at one o'clock. Coffee, hot chocolate and kool aid will be available at the rear of Newman College for all ages.

Last week some 30 members enjoyed an afternoon of skiing at Equestrian Manor which was organized by Hugh Puffer. Executive members will meet Thursday evening to discuss arrangements for club activities on an area basis.

Calahoo Sports

Calahoo Junior Scorpions bantams lost two straight games to Wabamun last weekend and were eliminated from the league playoffs. They lost 6-2 Sunday and 7-4 Monday. The Junior Scorpions will play an exhibition game Friday night in Onoway.

The peewees shutout Gibbons 5-0 Saturday on goals from Bronco Letendre, Donnie Fowler, Lorne Labonte Travis Patrick and Lyle Quintal. Grant Berube got the shutout. On Sunday the peewees blasted Evansburg "B" 11-1 as Darcy Granger came up with four goals. Travis Patrick had a hat trick.

Calahoo Scorpions seniors will play Friday night 8:30 in Stony Plain against the Eagles.

Lancers one up in playoff

The St. Albert Lancers defeated Morinville 14-0 in the first game of a two-game total point series and Morinville conceded the series last Friday night. Lancers then advanced to the zone playdowns against Westlock. First game was played Saturday and Lancers won 6-0. Second game in the best of three playdown goes in St. Albert Saturday afternoon at 4 o'clock.

In exhibition action the

Lancers met Killkenny from Edmonton Sunday and the match ended in a 5-5 draw.

Local NDP Association elects new officers

On Wednesday, Feb. 27, 1974, the St. Albert Constituency Association of the Alberta New Democratic Party held its annual general meeting in the clubroom at Ridgewood Terrace, Grant Notley, leader of the Provincial New Democratic Party and MLA for Spirit River-Fairview was guest speaker for the evening and gave a most informative and spirited talk on the energy crisis and policies governing our natural resources.

Newly elected executive officers are - President,

Gary Cuthbert, Gibbons - phone 799-9335; vice-president, Mrs. P. van Riper, 6 Grantham Place, St. Albert, phone 459-6956; secretary, Mrs. B. Sumann, 72 Gordon Cres. St. Albert, phone 459-3563; treasurer, Mrs. E. McMillan, R.R. 8 Edmonton, phone 799-6573; past president is Dick Harrison 37 Burnham Drive, St. Albert, phone 459-5213.

Elected as members at large are Jean and Earl Toane, Kurt Samow, Emily and Wilf Oliver and William Pollard.

The executive decided to hold a constituency meeting that will be open to the public, in Gibbons with further announcements to be made later.

Elected as delegates to attend the upcoming convention of the Alberta New Democratic Party to be held on March 8, 9 and 10, 1974 at the Macdonald Hotel in Edmonton were Mrs. G. Cuthbert, Mr. E. Toane, Mrs. P. van Riper, Mrs. E. McMillan and Mrs. B. Sumann.

Lady Lions will induct new members

Next general meeting of the Lady Lions will take place on Monday, March 11, commencing 6:30 p.m. at the St. Albert Inn. There will be an induction of new members Sylvia Race, Kay Rutherford and Claire Stephenson. Guest speaker of the evening will be Pat Doerksen, home economist.

The nominating committee will present, at this meeting, a slate of new officers, for consideration of the members.

Wives of new Lions are cordially invited to attend, either as guests or prospective members. Call Elsie Snider 459-5166 and she will order a dinner for you. Membership is also available to widows and wives of former Lions. Members are reminded to bring along any books they may wish to donate to our 'travelling library.'

A bouquet to Shirley Parkin under whose capable guidance the Lady Lions helped with the "Heart Fund" canvass recently. Apparently the drive was one of the

The Roman Catholic Church in St. Albert was the scene of a lovely winter wedding, Feb. 15 when Father Colin Levangie conducted the service for Brenda Anne Veness, daughter of Mr. and Mrs. Wm. Veness, and Randy Lee Jaques, son of Mr. and Mrs. David Jaques, all of St. Albert, before a large congregation.

The bride was radiant in a floor length white gown with a beautiful three-quarter length veil falling from her dainty headpiece. She was attended by bridesmaids Marguerite Veness, Karen Jaques, Lorraine Veness and Carol Bourgeois with Shelley

McLellan as flower girl.

Attending the groom were Darryl Jaques, Willie Poues, Don Falcon and Brian Gitzel. Ring bearer was Kevin Hill.

A reception and banquet followed the ceremony at St. Albert Community Hall. Master of ceremonies, Roy McLellan, brother-in-law of the bride, made the 300 guests feel at home and Dr. Wm. Cuts, long time friend of the Veness family was a delightful speaker and had some amusing anecdotes to tell about the bride's mother. A toast to the bride was proposed by her godfather, Mr. L. Mercier of Legal, and Father Levangie also spoke on this happy occasion.

Special guests included the bride's grandmother, Mrs. D. Bourgeois and Mr. and

Mrs. Gitzel, grandparents of the groom. There many out of town guests, including the bride's sister and brother-in-law from Surrey, B.C., Jocelyn and George Tucker.

Following the dinner the guests enjoyed a wonderful evening of dancing.

For the convenience of our central files, please print the
name of this newspaper here.

The spirit of '74 is alive and well in Alberta. Across the province every day, young Albertans are doing things that need to be done. These 'hidden heroes', like the pioneers who opened up the west, perform acts of courage, initiative, selflessness and social responsibility. YOU CAN HELP give these young people recognition!

Nominate a youngster — or a group — 6 to 18 years of age, for an ALBERTA JUNIOR CITIZEN OF THE YEAR AWARD. The boy, girl or group whose name you send in can qualify for this honour and the Canada Savings Bond that goes with it. Please complete and mail this coupon

Alberta Junior Citizens of the Year Awards have been sponsored by Alberta's independent electric utility companies with the active co-operation of community newspaper editors since 1961.

Legal couple wed at St. Emile's

By Lucienne Montpetit

On February 9 a colourful RCMP wedding was solemnized in St. Emile's Church when Miss Corrine Bergevin pledged her vows to Constable Laurier Brissson. Father Bissonnette performed the triple ring ceremony for the daughter of Mr. and Mrs. Lucien Bergevin and the son of Mr. and Mrs. Pierre Brissson all of Legal. Baskets of flowers were placed on the altar and in the sanctuary. The pews were marked with large white bows.

The scripture readings were given by Paul Brissson (brother of the groom).

Given in marriage by her father, the bride was a vision of loveliness in her exquisite heavy taffeta gown with a band of delicate lace which enhanced the stand up collar and the sheer yoke. Matching lace bordered the gown and circled the full length train that fell gracefully from the waist. Her mist of illusion veil edged with matching lace was held by a pearl and rhinestone bridal cap. She carried a bouquet of red baby roses with white streamers accented with rosebuds.

The bride's attendants Miss Lillian Brissson and Mrs. Yvonne de Champlain were charming in their empire style gowns of white lace over red taffeta banded at the waist with a red ribbon. They carried cascades of yellow daisies and red carnations.

Best men were Constable Tim Boal from the RCMP detachment Prince George B.C., and Constable Doug Howart from the RCMP detachment McBride, B.C. The groom and best men were very handsome in their RCMP uniforms.

The wedding music was played by Elaine Blodeau and vocalists was the school choir. Ushering the guests were Paul Brissson and Marcel Bergevin.

Following the ceremony a banquet was held at the Legal Community Hall for some 225 guests. A reception and dance was enjoyed by some 350 people in the evening.

Floral arrangements and a beautiful cake made like a church with a replica of the bride and groom coming out of the church graced the banquet table.

Maurice St. Jean was emcee and called upon Maurice de Champlain (uncle) to present a toast to the bride.

During the evening the bride's grandparents Mr. and Mrs. Rene Prefontaine

MR. & MRS. LAURIER BRISSON

were recognized upon their 53rd wedding anniversary. Mr. and Mrs. Prefontaine still alert and active danced to the Anniversary Waltz dedicated to them.

To receive her guests, Mrs. Bergevin chose a shocking pink crepe knit gown with an orchid corsage and silver accessories.

Mrs. Brissson chose a silver, gold and black metallic

double knit gown complimented by an orchid and gold accessories.

Laurier and Corrine will reside in Prince George, B.C.

Out of town guests came from Calgary, St. Paul, Prince George, B.C., McBride, B.C., Whitehorse, N.W.T., Beaverlodge, Lethbridge and surrounding areas.

Students learn much from rugged trip

By Donna Kryskow and Yvonne Kieser

On February 15, 16 and 17, 23 Grade 9 students of the Outdoor Education class at Georges P. Vanier School took part in a winter survival camping trip. This took place at Narrow Lake, where there is a camp operated by the Department of Lands and Forests. The class was split up into groups of three or four and each group was responsible for setting up its own camp in makeshift lean-to, for gathering its own firewood and for cooking the meals. The excursion started with a bus trip which took the students to Narrow Lake, which is approximately 20 miles from Athabasca. After getting off the bus, they hiked two miles to the lake, carrying all equipment and supplies on their backs. On Saturday, they hiked 2 1/2 miles to the instructor's headquarters where they were taught the basic fundamentals of firearm safety. This was the only formal instruction given during the weekend, the rest of the time being spent doing the many chores associated with winter camping such as: keeping warm, drying out wet

clothes and holding off starvation. This trip proved to be very educational for all concerned since everyone had to learn to work together to achieve a certain degree of comfort. The return trip took place on Sunday afternoon, with everyone exhausted, smelling of smoke but happy.

Horse Hill

By Peggy Wenzel

The following officers for 1974 were elected at our annual meeting of the Horse Hill Community League, held Feb. 28. President - Gordon Wenzel; vice-president Don Hood; secretary - Kathleen Bockock; treasurer - Donna Mullen; Board of Directors Dave Zaychuk, Hugh Speer, Terry Bockock, Program Committee - Peggy Wenzel, Chris Berg, Peggy Farrell, Sports committee - Bill Mullen, Ken Mullen, Ann Zaychuk, Frank and Eleana Robinson, Entertainment and Social committee - Don and Elaine Hood, Bill and Pam Mullen, Ann Zaychuk, Mary Ann Duggan and Mary Johnston, Walter Obrigewitch, Maintenance committee Don Spence, Adam Welsgerber, Dave Zaychuk, Walter Obrigewitch, Bing Engels. Booking Agent - Ken McConnell. Auditors - Jim Bentley, Marion Mullock.

By Flo McGinnis

Mr. and Mrs. Alme Casavant, originally married in Morinville in 1924, renewed their marriage vows on Saturday, March 2 in St. Jean Baptiste Church in Morinville with Father George Primeau officiating. Organist for the 50th wedding anniversary mass was Remi Soetaert, while hymns were sung by Rachel Bulger and Edmond Meunier.

All nine children were in attendance for their parents Golden Wedding Anniversary celebration. Five daughters: Mrs. Diane Byrtus, Mrs. Aline Hoberg, Mrs. Therese Sanche, Mrs. Denise Meunier, Mrs. Antoinette Byrtus; along with the four sons; Albert, Lucien, Gerard and Francois, were with Mr. and Mrs. Casavant, and took advantage of the occasion to have family pictures taken.

Following the church service, the Legion Hall in Morinville was the scene of a supper served to approximately 60 guests. During the social evening family and guests enjoyed dancing, reminiscing, and visiting together.

Mr. and Mrs. Casavant were presented with a gold watch and a family pin, respectively, from their sons and daughters, as well as an appropriately engraved cup and saucer from their great-grandchildren. Best wishes were received from: Lt. Governor Grant MacEwan, Prime Minister Trudeau, and Premier Peter Lougheed as well as from many friends and relatives.

Married in Morinville in 1924, the Casavants farmed in the Vimy district for 32

years before purchasing a home in Legal and going into semi-retirement. Just over a year ago Mr. and Mrs. Casavant moved into the Chateau Sturgeon, Senior Citizens home in Legal, and are thoroughly enjoying it.

Along with Mr. and Mrs. Casavant's nine children, 33 grandchildren, and two great grandchildren, the communities extend sincere congratulations with the hope of health and happiness in the coming years.

Mr. and Mrs. Alme Casavant on the occasion of their 50th wedding anniversary.

Tax Tips Column

For further information, call the District Taxation Office. If you live in a toll area, ask your long-distance operator for Zenith 0-4000 and your call will be placed without charge.

Q. I am a farmer and I used 1967 as the year of averaging for income tax purposes and am eligible to average again in 1973. Am I required to average again using 1973 as the year of averaging, or can I wait until a year in which averaging would be more beneficial to me?

A. You may choose any year you wish as the year of averaging, provided that returns have been filed as required and that the averaging period chosen does not overlap another period for which you have averaged.

Q. I retired from farming and now live in the city. My farm lands are rented to a tenant. I make six or more trips each year to the farm to supervise seeding, summer fallowing and harvesting. Can I claim the expense incurred in travelling to and from the farm?

A. Travelling expenses incurred while travelling to and from your farm cannot be claimed as a deduction from your rental income.

Q. I bought land in 1965 on a half-share-crop basis and this half share was sold in the vendor's name. Do I have to pay income tax on the half share that was paid to the vendor?

A. Yes. The half share that is sold in the vendor's name is your income and the subsequent payment to the vendor is considered to be an instalment on the purchase price and is not deductible.

Q. Is a farmer required to make Canada Pension Plan deductions from the wages paid to farm help?

A. Deductions for the

Canada Pension Plan must be made from all wages paid for farm labour, provided the employee has reached 18 years of age but has not yet reached 70, and has received cash wages of \$250 or more and has worked for 25 days for the employer during the year.

Q. What is the income tax situation if I sell land with standing crop?

A. If the agreement specifies an amount for the standing crop, that amount is income to the vendor and an expense to the purchaser. If the agreement does not specify an amount for standing crop, then no portion of the selling price is attributable to the standing crop as far as the purchaser and vendor are concerned. To complete the answer, your transaction insofar as the land value is concerned is subject to the capital gains provision which was introduced in 1972.

Q. I understand that commencing in 1972, depreciation on any new depreciable farm assets acquired in 1972 or subsequent years must be taken under Part XI of the Regulations. If I switch my depreciable assets on hand as at December 31, 1971 to the Part XI method, does this mean that when I sell or dispose of them that I will be subject to recapture of depreciation on all the amounts that were previously claimed under Part XV11?

A. Yes.

Q. In valuing my farm properties for capital gains purposes, should I make separate valuations for my residence and out buildings?

A. Yes. It is advisable to establish the value of your farm residence in that if it is your principal residence there is an option available on the sale of your farm which would exclude it from capital gains tax.

Knights plan skate-a-thon

The Legal Knights of Columbus in order to raise funds for the Development of Peace campaign are sponsoring a Skate-a-thon for the boys under 10 years of age (e.g. the Shavers) also for the young at heart 10 years and over. The boys are asked to find sponsors who will support them for a sum of

their own choice for each completed skated lap around the rink in the Legal Arena March 10 at 2 p.m.

Please help support our boys and thus make this a successful campaign. Anyone interested should contact Robert Regimbald at 598-3731.

Atkinson - Rapati Wedding

Father Jacques Joly performed the double ring wedding service for Elizabeth Rapati, daughter of Mr. and Mrs. Ferdinand Rapati, and David Atkinson, son of Mr. and Mrs. Bob Atkinson, all of St. Albert, in St. Albert

Roman Catholic Church, February 23, 1974. Baskets of red and white carnations and gladioli adorned the chancel of the church.

The groom came down the aisle with his parents, followed by Junior bridesmaid,

Agnes Rapati followed by the attendants: Toni Rapati with Diane Atkinson, Doug Atkinson with Miriam Rapati, Paul Riopel with Terry Jwaszko and Best Man Duff Jamison, with Maid of Honor, Mary Kamper. The bride was escorted by her parents to the front of the church where she was met by the groom, who shook hands with Mr. Rapati and escorted Elly to the platform, while the remainder of the party took their front row places on either side of the centre aisle.

The bride was charming in a long gown of white peau de soie, with full train, designed with lace sleeves and matching lace inset in the bodice. She wore a silver cross, gift of her mother and carried a bouquet of red roses with white carnations.

Readings from the Scriptures were given by the bride's sister, Mimi and wedding music was by three young singers, Donna Gordica, Kim Smith and Sharon Pursche with Bertha Kennedy at the organ.

Bridesmaids wore identical gowns of red net with satin underlay and trimmed with scores of dainty white felt appliqued flowers. Their demure white crotched caps were made by the mother of the groom.

Following the ceremony a reception was held at the home of the groom's parents on Gordon Crescent. Mr. Will Rapati, uncle of the bride, was master of ceremonies for a wedding supper held in the Community Hall, when a toast to the bride was proposed by Paul Riopel, to which the groom replied. Elly also spoke briefly and her father had some most appropriate remarks.

Out of town guests included Dolores Atkinson, sister of the groom from Kettering, Ohio, Paul Rapati, home

from Australia, Eleanor Pattoff of Medicine Hat, Robert Mann and Doug and Jan Lees from Calgary. Numerous telegrams, letters and cards were received from relatives of the bride in Holland, Australia, New Hampshire and Ontario. Congratulations were also received from relatives of the groom in Sheffield, England.

About 175 guests enjoyed an evening of dancing to the music of the Satellites, with late luncheon served by Trio Catering, to conclude the evening.

On their return from a short holiday in Banff the young couple entertained their family at a gift opening party Friday evening at their apartment in the city.

DAVID DATSUN LTD.

SALES 458-2222

PARTS & SERVICE 458-2211

The spacious, well lit showroom at David Datsun is ideal for showing off the full line of four Datsun cars and pickup truck. Friendly service is a by-word and owner

Dave Symaluk with department manager enjoy a chat with visitors to the dealership being officially opened this week.

Datsun Dealership officially opened

Owner David Symaluk is happy with the progress of the Datsun dealership he opened in St. Albert last May. "Business volume is well beyond what we expected," he said, "and we are reaching out as far north as Westlock." Noting that if he had more units, sales would be even better, Mr. Symaluk

said the supply situation should be much improved by the end of the month. The Plant draws from a distribution centre in Calgary with a compound in Edmonton. Asked about the price situation on imported cars, Dave said that increases can be expected with the continuing oil shortage, but the

demand for small units remains strong. Mr. Symaluk started last spring in a temporary office on the three-acre site and moved into the new building in October, while work was still going forward.

When all the finishing touches were complete it was time for an official opening and the event this week brings full circle a long held dream of Dave Symaluk to have a car dealership in St. Albert. He lived on Broadview Crescent in Bonnyville in 1972 and when he went up there he was still thinking about a St. Albert operation. Now he's back on Broadview Crescent and St. Albert David Datsun is well launched, with a potential that looks good to its 37 year old owner.

We are more than pleased with the job done by Valere Steel Industries of Bonnyville on the building, said Mr. Symaluk, who shares one half of the 24,000 sq. ft. structure with Tercier Marine Land.

David Datsun carries a full line of the five models, with showroom area for 10 units and a 15-bay service department. In addition there is a large parts and accessory department and general office area to serve management and sales. The staff of nine are all qualified in their field. Paris department manager, Howard Glandville, has 20 years experience and Gerry Owens brings 10 years experience in the foreign cars to his

position as service manager.

The Datsun line includes a pickup half-ton truck, three car models and two sports cars and the St. Albert dealership has them all on display and in back-up stock. Browsers are always welcome and friendliness is emphasized at the garage.

Two major management policies are efficient and complete service, and dependability said Mr. Symaluk and all of us at David Datsun are working to that end.

David's wife, the former Jeanette Belhumeur was born and raised in St. Albert and the Symaluks have four children, Greg, age 10, Darrin, 8, Janine 3 and baby Marc who is three months.

AROUND TOWN

A surprise visitor for Mr. and Mrs. Elmer Gish this week was their son Ronald. Ronald, a Captain in the Canadian Armed Forces, presently stationed in Lahur, Germany, came over with a curling team to Trenton, Ontario. From there he hopped on a commercial flight and surprised his parents. Ronald's service with the Armed Forces expires shortly and he is planning to practice dentistry in Lacombe.

In response to appeals from the organizers of the Mothers Day Out Program 10 volunteers came forward. However, volunteers are still required and if you are interested please phone Jane Quessy at 459-4534.

AROUND TOWN

Mr. and Mrs. John Nachtigal of Bellevue Crescent enjoyed a visit from Gary and Peggy Sadler and sons Jim and Christopher over the weekend.

Iris Chodan was the winner of the Toastmistress Speech Contest. Iris, one of five contestants, chose the word delinquent for her subject and the title of her speech was 'Tomorrow, Tomorrow'. Contestants are given three words from which they chose one to centre their speeches on. The Judges in the St. Albert Competition were Ruth Ferguson, Don Mills and Al Bruner. Iris will now enter the Edmonton finals which will be held at the Chateau Lacombe on March 22.

cast on his leg but they weren't able to keep a good man down, and Dave arrived home in style in the wee hours, after receiving a host of good wishes and a lot of useful (?) advice from his many friends.

Steve Hughes gets back for a visit in St. Albert every so often from the ranch near Vilna where he is managing several hundred head of cattle for the owner, and able to pursue his interest in horses. Steve has acquired a valuable quarter horse and plans on getting into breeding horses.

Prior to his recent wedding, friends of Dave Atkinson from St. Albert and colleagues in the 20th Field Regiment, militia unit, hosted a stag for him in the Prince of Wales Armouries. The medics fitted him up with a

AROUND TOWN

Eleven year old Monica Tap of 16 Maple Drive was the northern winner in the province wide essay contest sponsored by the Education Week Committee. She is a student of Albert Lacombe School and along with the grade 6 winners for the central and southern parts of the province, and the teachers of their choice, is meeting today with the Premier, the Lieutenant-Governor and the Minister of Education. Subject for the essay was "My Teacher."

** ** *

A broad and interesting selection of evening classes for adults are scheduled to

start in March at Paul Kane High School. The classes have been arranged by the St. Albert and Area Further Education Council under the sponsorship of the St. Albert Protestant Separate School Board District 6. The courses offered include: Stretch the Food Dollars, Landscaping Clinic, Writers Course, Conversational French second course, and courses for beginners in Spanish, German and Cree. The fees for the courses are moderately priced and further information may be obtained by phoning Paul Kane at 459-4405.

Best Wishes . . .

PARTY LINE

The Consumer Association of Canada reminds you that March 1 - 7 is Canadian Consumer Week. Demand consumer-conscious products and services and compare carefully. United we can remove many of the unnecessary risks facing the consumer in the market place. To celebrate Consumer Week, the C.A.C. will hold its annual fair at Londonderry Mall (137 Ave. and 66 St.) on March 7, 8 and 9. The theme this year will be 'Prescription for Health.' Some 16 federal, provincial and independent health-related organizations will be there. Take advantage of this rare opportunity to solve

any consumer problems you may have.

Tickets for the Shamrock Festival to be held at the St. Albert Community Hall on March 16 are now available. Tickets for the evening are priced at \$8 per couple for an all inclusive evening and can be reserved by phoning 459-3968, 459-8896 and 459-4515. The Festival is sponsored by the Sturgeon General Hospital Auxiliary and all proceeds are donated to the hospital.

AGT

We're sticking to last year's face.

For those of you who own a passenger car, 1974 brings a pleasant change in the matter of license plates. This year you won't have to struggle desperately trying to remove your old license plates and replace them with new ones. Instead this is what will happen: You will receive a renewal form in the mail. After filling it out you take or mail it, along with the license fee to an issuing office or a Treasury Branch office. There you will receive a new vehicle registration and a set of stickers. The stickers then go on the lower right hand corners of your present plates... and that's all there is to it.

This revalidation program will apply only to passenger vehicles registered before 1974. If you are registering your car for the first time then you will receive 1973 plates plus the 1974 stickers. Owners of trucks, trailers, motor cycles and other vehicles will receive a new blue and yellow plate for 1974.

WI learns about weight control

On February 26 the St. Albert Women's Institute met at the home of Mrs. Sharon Taylor.

Guest speaker was Mrs. Fat Doerksen, Sturgeon District Home Economist. Her topic was Changing Attitudes Towards Weight Control. The four factors of weight control were discussed in

detail: 1. overweight or overfat; 2. heredity; 3. exercise; 4. food. Much was learned by those present after the lively discussion.

A bake sale will be held in the Grandin Shoppers Mall Saturday, March 16, beginning at 9:30 a.m. Raffle tickets will be available for the beautiful rug, handmade by

Marguerite Akins. The rug will be on display at Robinson's Pet and Hobby Shop.

May 4th is the date set for the Constituency Conference to be held in Edmonton this year. The St. Albert group will co-host the morning coffee.

Interest was shown regarding planned tours by the

group as was done last year. Sadie Adams and Agnes Richardson are in charge of arrangements.

The next meeting will be held March 26 at Mrs. Marg Fechter's, 2 Gillian Cres.

Around Town

Mrs. Margaret Long arrived on Saturday, March 2, from Richmond, B.C., to visit her granddaughter Mrs. Bonnie Furber, her husband and family of Springfield Crescent. Mr. and Mrs. Furber will host a family dinner this coming Sunday at which other grandchildren and great-grandchildren from the Edmonton area will be

present. Mrs. Long will be staying about three to four weeks.

Unfortunately the wrong date was provided for the organ recital being given by Mrs. Carol Otto of St. Albert, and Carol regrets any inconvenience caused to people last Sunday. The recital is at All Saints Cathedral on Sunday, March 10 and forms part of Mrs. Otto's program for a Master degree in music from the University of Alberta. The interesting and varied program will appeal to all music lovers.

College offers Lectures for Lent

A series of six Lenten Lectures on the theme "Life" is being conducted in the Assembly Hall of Newman College, beginning Thursday, Feb. 28 and continuing over six consecutive Thursdays to conclude with the April 4th lecture.

The lectures will begin at 8 p.m. followed by a nine o'clock coffee break before a question and answer period which will close at 10 p.m. Everyone interested is warmly welcome to attend the series, for any given lecture, or lectures, or the entire series.

Rev. O. Fuchs, OFM, will give the opening lecture on The Christian Philosophy of Life, followed by Rev. Donald MacDonald, OFM on March 7, speaking on Christ Our Life; Rev. Gerald Wiesner, OMI will talk on Liturgical Life; Rev. Camille Dozois on The Quality of Life; Rev. Paul Fachel, OMI, on Jahweh, The God of Life; and Rev. Karl Raab will conclude the series on the topic Celebration of Life.

A nominal charge will be made of \$1 per person per lecture, or 50¢ for students. Newman Theological College is located on Highway 2 at the south entrance to St. Albert.

We're looking after the gas you need.

1. It all starts here at the well-head in the gas field. The cost of obtaining natural gas for you takes around forty cents out of every dollar that you pay us. Once we've obtained the gas, we move it through the thousands of miles of pipeline that we've built in Alberta.

2. Natural gas in the ground isn't quite as pure as the gas we deliver to your home. So along the way we pay to have it scrubbed clean of impurities and examined to make sure that it's top quality.

3. The Regulating Stations. Our electronic systems help us to control the amount of natural gas passing through the pipelines. The pressure is reduced from 600 or more pounds per square inch to about 15 pounds per square inch, a safe and dependable pressure for distribution throughout your community.

4. Because natural gas has no noticeable odour, we deliberately add one in order to detect leaks. All these operations take about eleven cents from that dollar we mentioned.

5. A lot of people are concerned in looking after your gas, the employees you see and hundreds more you don't see. From servicemen and technicians to engineers and bookkeepers. Our payroll takes about fifteen cents out of that well divided dollar.

6. You don't see them here, but there are hundreds of other items that we use to look after your natural gas; trucks, trenching units, tractors, meters, valves... equipment of all sorts. Besides these we pay property, franchise and income taxes, and a reasonable dividend to our shareholders. All these payments that a company must make in order to run smoothly take around thirty-one cents out of that same dollar.

7. Again we bring the pressure down to a safe level of 4 ounces per square inch for your home usage.

8. By now we've had to spend over ninety-seven cents out of every dollar we've earned in serving you. The pennies left over? Most of them are invested back into the company and used to finance new developments.

9. The meter reads off the amount of gas you're consuming.

10. Your natural gas is now where it should be, safely heating your home and your water... and cooking your hamburgers or meatballs or stew or chicken or chops or...

MORINVILLE MEMOS

By Flo McGinnis

With Town Council holding all these special meetings we're looking forward to what might come up at the annual meeting to be held March 14. As an interested citizen of Morinville, you should be there too, for that is the time and place when you can have all your questions answered 'first hand.' The meeting will take place at 8 p.m. in the Rec. Centre and your attendance is certainly more than welcome.

On the subject of the town - how about the 'dog problem?' The Town Bylaw states that every dog must be: 1) Licensed, 2) Tied up and/or on a leash. Recently there have been a rash of complaints regarding dogs running loose and causing havoc especially in residential areas. If your dog is caught it may well cost you the sum of \$17.50 to have him released, and the Town Office has informed us that ALL loose dogs will be picked up. So dog

owners/lovers, please take serious note and make sure that your canine is tied up or on a leash.

"It's a Small World" beginning at 2 p.m. this Sunday, March 10, looks as if it will be a bigger and better winter carnival than ever. With guest skaters from Edmonton and St. Albert (all local talent that Morinville has produced) there will be a good number of special solos. The complete group of figure

skaters from the Morinville Lions Figure Skating Club will be there with some very exciting performances, showing just what our youngsters have learned and are still working at. One interesting addition will be a display by our very own power skating group which has just completed its first season of instruction. So for a pleasant, interesting and entertaining afternoon, be sure to be on hand when It's a Small World takes to the ice Sunday, March 10 - 2 p.m.

day, March 10 - 2 p.m.

The next meeting of the United Church Ladies Aid will be held at the home of Mrs. A. Middleton on Tuesday, March 19 commencing at 8 p.m. sharp. The Ladies Aid extends a cordial welcome to all interested ladies. Any queries regarding the Ladies Aid, the United Church services, or the Sunday School are readily available from - Jean Robinson (Ladies Aid) 256-3153, Ar-

mer Middleton (U.C.C. services) 256-2347, Maury Legge (U.C.C. Sunday School) 256-3269.

Congratulations to Annette and Octave Himschoot Jr., on the birth of a baby boy. Brian Eugene arrived on Feb. 20 and weighed in at 6 lbs. 2 oz.

Spending some time in the Sturgeon General Hospital are both Mr. and Mrs. Albert Dupuis. Get well wishes are extended to Marcelle and Albert, we hope to see you both back here very soon.

On Friday, Feb. 22, the Morinville Legion Branch #176 hosted a Legion Rally with 14 branches represented. During the day the ladies were hosted in the Recreation Centre while the Legion members were busy at their meetings. The highlight of the rally was a smorgasborg style supper and a dance held in the Rec. Centre attended by some 200 people.

Piping in the 51 Legion members, led by Paul Ellis, Branch #176 President, were pipers and a drummer from the St. Albert Branch. These musicians also entertained during the supper, and were an extremely popular group. President Paul Ellis was presented with a gavel and block from the Legion Curling Annex which has been extremely active this year, and decided to surprise Paul Speakers included Jim Foot and Alex Bayrak, provincial vice-presidents; Percy Rossiter, district commander, and Walter Thomas, Fort Saskatchewan Branch #76.

The Morinville Lions Club assisted the Legion by catering the door and the refreshment bar, and the Legion has expressed their appreciation for this valuable service.

In spite of the inclement weather (many in attendance had to book in at local hotels a very successful rally came to an end with the feeling that 'much has been accomplished.'

Please don't forget that this is Education Week. Are you informed and up-to-date?

Unifarm local will meet

St. Albert Unifarm Local will hold their annual meeting Monday, March 11 at 8 p.m. for the purpose of reviewing past years activities of unifarm; election of officers, business of renewing and collection of Blue Cross group premiums.

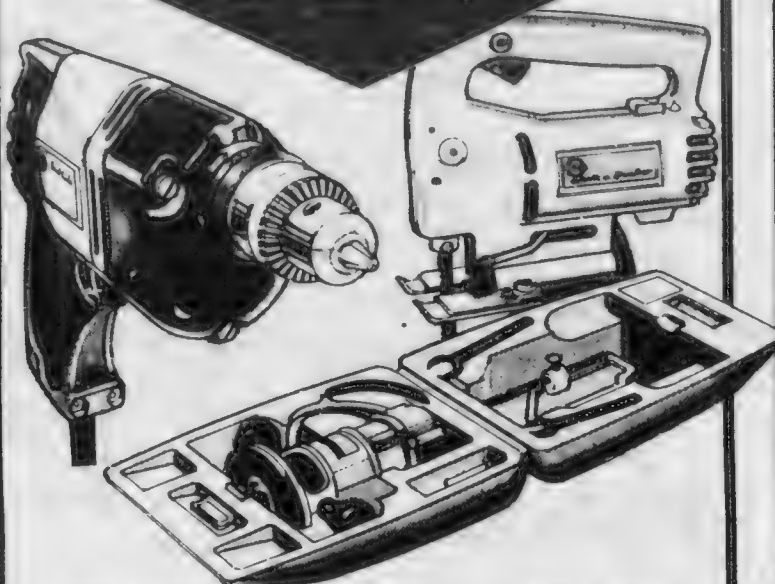

A tape by C. Brandley, law specialist with the Dept. of Agriculture, given at the Unifarm convention will be played, and promises to be very interesting.

This meeting will be held at the home of Mr. and Mrs. Tony Iseke, and all members are urged to attend.

Central Ag Society works for facilities

By Flo McGinnis

The Central Sturgeon Agricultural Society was formed, under the Department of Agriculture, Province of Alberta, in the fall of 1973 with the purpose of working toward and betterment of the area, (Morinville and District).

In order to have one main body working directly toward improvement of facilities and environment in the Morinville community, both urban and rural, the Morinville Community Sports Association headed up a group of interested citizens and applied for a charter as mentioned above. By having this body it is possible to apply for Government grants and other assistance for such projects as an arena, curling rink, swimming pool, bowling alley etc., also prize money for fairs, horticultural shows, calf clubs etc., With this type of financial assistance it is possible that a community such as Morinville and District can expand and improve on existing facilities in a reduced period of time.

At present there are only 87 members of the C.S.A.S., but every citizen of the district is being encouraged to join the group to strengthen its position in every aspect.

Lisle Kivell, president of the Central Sturgeon Agricultural Society accepts the Society's Charter from District Agriculturist, Wally Klatt.

The society's first major project is to install a plant large enough to produce summer ice in the Morinville Arena, with a further plan (if finances are obtained) to build a multi-purpose curling rink using artificial ice from the same plant.

Executive members: Lisle Kivell - Pres., Ross Quinn - Vice-Pres., Mrs. Helen Schriver - Sec., and Doug Ramer - Treas., along with a Building Committee and many member-assistants are busy at this time encouraging even more active participation to get this

initial project off the ground. Locally known as "the proposed Sports Complex" this project, when completed, will provide greatly improved recreational facilities as well as bringing a larger variety and more exciting activities to the Morinville community and district.

No doubt we will be hearing much more from this group as their project progresses towards the goal of "Artificial Ice."

Livestock Disaster Act

The livestock program was initiated to lighten the financial burden of farmers who had suffered disastrous losses to their livestock through a natural disaster or losses caused by predators.

Natural disasters are those arising from such things as floods, bush fires, blizzards at calving time etc., that could be described as an Act of God. Disease losses should not be covered nor should losses for which adequate insurance is available at reasonable cost. In this regard failure to have fire insurance on buildings and contents should be considered negligent. Losses where gross negligence is a factor are not included.

Predator losses are those losses caused by attacks from wild animals.

The deadline for acceptance of retroactive livestock losses and predator claims is March 30, 1974. This retroactive period is from January 1, 1972 to December 31, 1973. This deadline

does not apply to losses suffered since December 31, 1973.

Farmers who are eligible to claim are to contact Don England, M.D. fieldman at Morinville who will conduct the investigation and supply the necessary forms.

ANNUAL MEETING

OF ST. ALBERT UNIFARM

will be held at the home of Mr. and Mrs. Tony Iseke on MONDAY, MARCH 11 -

8 P.M.

Sturgeon School Division No. 24

EARLY CHILDHOOD SERVICES - FALL 1974

The Sturgeon School Division is planning to provide early childhood classes at each of its schools next fall providing sufficient parental interest is shown and enrolments are sufficiently large to warrant provision of the early childhood program. Enrolment in the program is voluntary but a child must be at least 4 1/2 years old on September 1, 1974 to be eligible for registration.

Meetings to explain the program and to pre-register children for these classes will be held at the following centres at 8 p.m. on the dates indicated:

Bon Accord School Wednesday, March 20
Camilla School Thursday, March 21
Sturgeon Heights School Monday, March 25
Gibbons School Tuesday, March 26
Namas School Wednesday, March 27
Horse Hill School Monday, April 1

IT IS IMPORTANT THAT ALL PARENTS OF ELIGIBLE CHILDREN WHO ARE INTERESTED IN PRE-REGISTERING THEIR CHILD IN THE PROGRAM ATTEND THE MEETING IN THEIR AREA SINCE THE EARLY CHILDHOOD PROGRAM WILL ONLY BE MADE AVAILABLE WHERE SUFFICIENT INTEREST IS SHOWN.

Town of Morinville ANNUAL MEETING

Public Notice is hereby given that a meeting of the electors of the Town of Morinville will be held in the Recreation Centre on Thursday, the 14th day of March, 1974 at 8 o'clock p.m. for the purpose of receiving the report of the Mayor, Secretary-Treasurer, Auditor, and Chairmen of the various committees of Council for the year ended December 31, 1973.

Dated at Morinville this 6th day of March, 1974.

PAUL E. BROCHU,
MUNICIPAL ADMINISTRATOR

Legal Credit Union reports good year

The members of our Credit Union outdid themselves on March 2. With over 200 in attendance at the 31st Annual Meeting. The evening began with an excellent roast beef dinner. Grace was said in Ukrainian by Mr. Russell Bodnar.

President Leonard Blanchette took advantage of this occasion to present service awards to officials of the Credit Union who have served 10 years or five years on various committees, namely Mr. Herve St. Onge, Mr. Paul Clouthier and Mr. Normand Letourneau.

Paullette Clouthier a Grade 12 student gave a report on her experiences at Gold Eye Camp last summer. She thanked the Credit Union for sponsoring her for the camp.

Out of town guests recognized were Mr. and Mrs. Maurice Perras, manager and president of the Morinville Credit Union, Mr. and Mrs. Dave Bokenfohr, other directors included Mr. and Mrs. Jim Rousseau and Mr. and Mrs. Maurice Rousseau.

From the Credit Union Federation of Alberta district representative Mr. and Mrs. Al Shorten.

The meeting under the chairmanship of Leonard Blanchette began at 8 p.m. The first door prize was won by Roger Cyr.

In his report the president revealed to the meeting the substantial increases in all phases of operations. He also announced that the Board was contemplating the

erection of a new office building.

The other committees gave their reports. Robert Regimbald for the supervisory committee and Normand Letourneau for the credit committee. The financial report was read by the manager and this brought out several interesting questions which were answered by the president, manager and Mr. Shorten.

The meeting was then open for elections, the nominating committee announced that the nominees for the board of directors were Leonard Blanchette and Robert Regimbald. No nominations were received from the floor. Nominated to the supervisory committee were Patrick Keane and Rodney St. Martin.

The meeting was informed that the Board of Directors had declared a 2 1/2% dividend on 1973 operations and that the balance of distributable savings would be applied to the stabilization deferred account.

Members were also made aware of the fact that their Credit Union has nearly 1 1/2 million dollars in assets and increase of approximately \$350,000.00 over 1972.

After having thanked everyone for their attendance and support the last draw was made by Mrs. Joyce Shorten and won by Eleanor Blake.

The evening concluded with a dance and refreshments.

MORINVILLE

Bon Accord

By Sadie Allen

The March 2 dance sponsored by the Bon Accord Ladies Community Club was a great success. Box lunches were prepared by the cut mothers and sold, thus adding to the cub coffers. Many new faces were seen in the crowd and it is hoped that all enjoyed the outing and will be back for the next dine and dance. A sincere thank you to all who helped to make the evening a success.

Anyone interested in Artex (roll on decorator paints) is asked to phone Linda Johnston at 298-3634. If enough interest is shown Linda will arrange a demonstration.

A shower honoring Miss Joyce Rigney was held in the Bon Accord Community Centre on Feb. 27. Assisting Joyce in opening her many lovely gifts were Miss Jacquie Rigney and Miss Marsha Rigney. Co-hostesses for the occasion were Mmes. Thelma Everitt,

Sarah Mulligan and Lil Schick. Joyce's marriage to Mr. Robert Ceall Anderson of Kathryn will take place on March 9.

Mr. and Mrs. Walter Morin are visiting with Barb's parents, Mr. and Mrs. Keith Everitt. Walter and Barbara are home from an eight month stay in Saudi Arabia and will be making their permanent home in Calgary.

A baby shower was held on Friday, March 1 for Norma Yerex, who received some beautiful gifts for her daughter, Elizabeth Anne. Hostess for the occasion was Mrs. Bonnie Bjerke.

The official opening of the Bon Accord branch of the Edmonton Amalgamated Savings and Credit Union was held on Saturday, March 2. The draw for prizes was made by Mr. Atrial, Edmonton general manager. Winner of the TV was Kevin Robertson, the radio went to Scott Briggs and electric shavers were won by Marion McKenzie, Tami Kowalski and Marie Weinzierl. Mr. Anderson, manager of the Bon Accord branch is happy with their growing business and invites anyone interested to stop in to have questions answered. On Tuesdays, Thursdays and Saturdays. Term savings with the credit union draw 9 1/4% interest.

A representative from AMA will be on hand in the Bon Accord clubroom on March 13 at 8 p.m. Those

who have already registered for Driver Training and Defensive Driving courses should be on hand to arrange their schedules. Others interested are also invited to attend. Registrations can be taken at this meeting.

The Ladies Community Club will meet at Mabel Veran's on March 13, at 8 p.m. New members are always welcome.

Lorraine and Linda Ramstad in the company of 27 more young Christian friends motored to a conference of the Navigators at their International headquarters in Colorado Springs, Colorado, for a week of Bible study to further their missionary training.

Young people from the district joined with a bus load of young people from the city accompanied by a group from the Salvation Army to enjoy a social get-together on Saturday, Feb. 23. After a session of broomball and skating at the rink, all adjourned to the United Church for a hearty lunch courtesy of Al and Enid Ramstad and Alan and Gladys Campbell. Sweets were provided by young ladies from the Salvation Army. Mrs. Mary Arksey, superintendent of the Sunday School was present to lend a helping hand. After lunch everyone enjoyed a rousing sing song. Guest speaker for the evening was Mr. Ernie Stokes, his topic "Loss of Communication between parents and teenagers." Everyone enjoyed the evening and will be looking forward to the next one.

Bon Accord Wildcats will be playing in a hockey tournament in Evansburg on March 16 and 17.

Bon Accord Midgets lost out to Legal in league final playoffs in two straight, losing 3-1 and 5-0. Congratulations to our boys for a good show.

Cadets and 4H members enjoyed an evening of bowling at the Odeon on March 1.

The Bingo jackpot is now \$55 and 54 numbers. The 54 numbers will hold for the next two bingos.

The Namao Local of Uniform will meet at the home of Mr. and Mrs. Clifford Crozier on March 14 at 8 p.m. Mr. Mike Osatchuk will show films of his trip to Australia, New Zealand and Fiji.

Winners of their card party held last week were for \$5.00, Doris Gibson, Archie Juncin; Whist - Amy Ash, Ivan Kreller.

Mothers-Take-A-Break program for March as follows - March 12 - Craft; March 19 - Dry Cleaning; March 26 - How to Fondue; April 2 - A field trip to Elm Court House.

HOW'S YOUR FARM SAFETY? RATING

News from Gibbons

By Ron Coley

On Friday evening March 1 the Gibbons Mites enjoyed the Edmonton Oiler game against the Aeros. Many thanks to Mr. Ernie Keryluik for the tickets and to Mr. Clem Rocque for the bus ride. It was a memorable evening for the boys.

The mites have won their last three games -- 4-3 against Redwater; 4-2 against Legal and 6-4 against Redwater. Keep up the good work boys.

Congratulations to Trudy Taras from Bon Accord and Edward McLean, who were married on Feb. 26, 1974.

Would the person who took the tupperware pie carrier and rack, after the Rangers Tea please return it to Shannon Mabbutt, she had borrowed it.

PAPER PICK-UP

The Gibbons Local Association for Brownies, Guides and Rangers are organizing a paper pick-up service. Papers must be bundled. Bundles should consist of not more than 10 daily papers and firmly tied. A paper bin will be located at the side of the Village Garage (adjacent to the Village Office). For pickup call 799-9697 Monday to Friday, during office hours. This applies to village and district residents.

THE LAST ROUND-UP

The regular meeting of the Last Round-up was held on Feb. 28.

A thank you to Mr. Neil Parker from the Recreation Office in Morinville who came to speak to the members about the Sturgeon Regional Rec. Fest '74. It will be held in Morinville on April 5, 6, and 7. Mr. Parker explained about all the different happenings to be taking place, then, There is something for everybody.

Some whist was played to finish the time until lunch was served. There was a short scripture reading and a prayer, before lunch, in memory of Fred Dale, a Last Round-up member, who passed away on Feb. 22 at the age of 97 years.

Whist prizes, donated by Mr. and Mrs. Stan Mabbutt, were given out.

Next there was roll call which was answered by 23 members. There was two

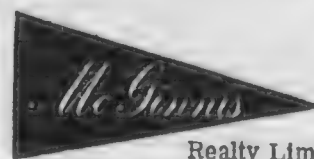

visitors, Mrs. Justine Fortier and Miss Angeline Boulanger.

A committee was formed to take care of invitations to other senior citizens clubs also numerous forms which are required to be filled out. The committee has the power to call a special meeting if necessary. Committee members are - Agnes Petherbridge, Emily Oliver, Mr. and Mrs. Steve Lamoureux and Pansie Davidson.

Calahoo and District

By Liz McLeod

The West Sturgeon Agricultural Society are very pleased with the ticket sales on their car raffle. Anyone still wanting one could get in touch with a member as there are still a few left. The building is really taking shape and hopefully we'll get a return to good weather so work can progress.

The Calahoo Sports Association held a valentine party in the Gazebo on Feb. 16 and a large crowd enjoyed the social.

It's nice to see your school chums once in a while. When Florence and Edwin Preece and Florence's mother, Mrs. Armenta Cunningham from Clymont drove in, it was a very pleased Liz McLeod as old times were remembered and news from home was welcomed.

Erwin and Eleanor Ulmer with son Dennis and wife Marilyn surprised Mrs. Emelia Schermmer, Barry and Michael with a long overdue visit recently. Henry and Erma Buzotte did likewise. Erma is Emelia's sister-in-law from the city.

John and Anna Carly, Murray, Keith and Debbie decided to visit their daughter Doreen in Barrhead and since there were birthdays in this family too Doreen and Murray would celebrate their's together.

John and Addie Thatcher have just returned from a glorious three weeks vacation, motoring to Vancouver B.C. and visiting many

friends there.

How nice it was for Colleen Blanchard to be able to come home from Kingston, Ont., where she is in the armed services (Air Force), to attend her brother Gary's wedding of Cecile Brand of Rich Valley, and daughter of Mr. and Mrs. Cecil Brand on Feb. 16 in Onoway.

Since then her father, Howard Blanchard has taken a trip with his brother Harold, flying to Montreal and motoring back through Ontario, then into the States and home. It's a good way of visiting relatives also and a change is as good as a rest. The wedding went off beautifully with a good time had by all.

Gerald and Edna Guenette can be justly proud of their son Wayne's son who has athletic feat recently in the city. Grandparents are partial to their grandchildren anyway. At least this correspondent is.

BIRTHDAY CELEBRATIONS
Adelard and Melina Paquette's young son Emile certainly enjoyed opening his birthday gifts and blowing the candles out on his cake Feb. 13 when he was four years old.

Young Tina Louise Cust, Gordon and Agnes's daughter is growing up now that she had her third birthday, Feb. 24.

Feb. 16 Audrey Steinkamp would celebrate her birthday so their neighbors Adelard and Melina Paquette, Marcel and Theresa Keroket and Pete and Liz McLeod surprised Otto and An-

drey by coming on the evening of the 15th to enjoy cards, visiting and fun.

Good friends had come from the city in the day and brought gifts and two birthday cakes which were really tasty at lunch.

Come Sunday, more fun and frolic when, while the 18th was Adelard's birthday, Sunday the 17th was more appropriate to go visiting.

Melina's parents, Mr. and Mrs. Joe St. Louis from Pleadville, in company with cousins Edward and Adrienne St. Louis and Tony Theberge, spent a most pleasant afternoon and evening and also had the opportunity to go with Denise Brennels to her and Brian's home to see their nice home.

In the evening Mrs. Emelia Schermmer and the P. McLeod's joined in with the rest of the family including Edna's friend Anna Belanger in wishing Adelard all the best in the years ahead.

There was one more birthday to remember so it wasn't surprising to have a neighbor, Mr. Joseph Freitag come over in the afternoon and then in the evening Ferdinand and Elsa Lischewski, Adelard and Melina Paquette, Emelia and Barry Schermmer and Myles and Daphne Kerr come to wish this correspondent the best on Tuesday, Feb. 19.

Then on Feb. 24 our children, Doug, Lillian and Cameron came and were joined by brother Felix and Martha Pischinger, Martha's daughter Joanne Hayes and her fiancée Bob Tainsch and a grand daughter Beverly.

Gramma looked after Cameron while his parents went to visit with Lloyd and Anita Bergstrelser after they got back home from Anita's parents, Mr. and Mrs. Willie Plischko of Alberta Beach. All in all a most enjoyable day was realized.

Legal High hosts finals

By Cathy Montpetit

On Feb. 26 and 27, conference playoffs in basketball were held at Legal High. On the 26, Lancers lost to School of the Deaf. On Feb. 27, Vanier girls won over Legal girls, and School of the Deaf defeated Vanier boys.

On March 1, North Centrals were held in the Legal gym from early morning, and lasting all day. St. Mary's girls defeated Vanier. Grassland girls lost to Sanguo girls, and St. Mary's won over Sanguo earning the title of North Central Girl's Champions.

St. Mary's boys played against School of the Deaf, defeating them in Grassland boys won against Sanguo. At 5:30, St. Mary's played against Grassland, and St. Mary's became the North Central's Boys Champions.

Congratulations to the best champion teams, and the two of luck to you at provincials!

The new Calahoo arena is rapidly rounding into shape with the main hull of the building almost completed. The outside sheet metal should be finished in a week or two if the weather holds. Work will then start inside on the foyer and dressing rooms as well as a hall upstairs. It's not hard to see results when a group of hard working people get together.

Calahoo WI hear guest from Culture department

By Liz McLeod

The regular meeting of Calahoo Women's Institute was held February 25 in Mrs. J. Stephanie Shenfield's home with 14 of the 16 members present. Other visitors included Mary Jane Douglas and John Thatcher, Myles Kerr, Vic Albrecht and Vance Berry and Josselyn.

After repeating "The Creed," minutes were read and President Mrs. V. Albrecht read a poem entitled "Such a Little Way Together."

Stephanie's subject was Culture and she introduced speaker, Mr. Arthur Bray, who is a pianist and is affiliated with the Youth Culture and Recreation Dept., with offices in the C.N. Tower Edmonton.

This interesting young man really feels music has affected his life and feels music is food for the soul. There is a need for self expression, Mr. Bray told of the many services offered by his department. They organize workshops through out the province for talented people or groups wanting to form a choral group or a band or individuals who would like to become musicians, study drama, music or dancing. The government have allotted monies which can be channelled for this purpose.

Last year, 487 children, 12 years old and up who were accommodated at the workshop held in Camrose with room and board being the child's responsibility, and the department provides professionals to teach plus instruments to use. This year they hope to accommodate 600.

Presently the department are compiling a registry on persons and groups so that if an organization wants performers, they can quote names and prices etc. They are also taping old musicians so these tapes will be available to the public and

SELL WITH
THE CLASSIFIEDS
PHONE - 459-7144

anyone within the Province of Alberta.

Sheet music is also available and will be loaned out for 30 days.

After the treasurer's report, Mrs. K. Dalheim told of the meeting to be held in the church basement March 14 at 2 p.m. As constituency convenor Mrs. Dalheim is inviting other groups in District 11 to hear about the interesting workshop Mary attended in January in the city.

Plans were finalized for the shower planned for a member's daughter.

February's roll call was "Make or bake a Valentine" and many beautiful articles were exchanged as well as prettily decorated cakes and cookies. Used Christmas

cards and used stamps were also brought.

The door prize was won by Mrs. Margaret Douglas. Birthday gifts were snuck in for Anna Carly, Adolina Bergstrelser and Liz McLeod from their secret pals, and valentine cards were also exchanged. Elsa Lischewski made the luscious angel food cake that had the candles lit on it while happy birthday was sung to the three recipients and of course they had to pay a penny for each year.

The March 26 meeting will be held at Mrs. J. Carly's home 8:30 p.m. with the topic "Citizenship" and the roll call "Wear something green."

Visitors are always welcomed.

Sturgeon Hockey Action

By Remi Cyr

Well over 300 fans cheered their team to victory on Friday, March 1st when Legal Citadel Canadians defeated Namao 4-2 to win the Sturgeon Hockey League championship in three straight games.

In the opening period Legal came on strong scoring three goals within 15 minutes. The first goal came at 7:37 when Dennis Pelletier unassisted found an opening passed Wayne Potter. Only a few seconds later at 8:09 Darcy Brisson assisted by Daniel Prefontaine and Louis Martineau gave Legal a two nothing lead. At the 14:20 mark Laurent Coulombe, despite his team being short-handed, skated powerfully down the ice passed the Namao defencemen giving Bobby Pelletier an open net

making the score three nothing. At the 17:55 mark Namao retaliated with a goal by Dale Hegadorn assisted by Len Crozier.

In the second period Namao came out fighting hard, but were unable to score but one goal. At 3:09 Ron Brimacombe assisted by Derek Nielsen and Norm Robbles found the mark passed by Robert Letourneau making the score 3 to 2 for Legal.

In the third period both teams played very well. At the 17:21 it looked like Namao would get the chance to tying it up when Bert St. Martin got a penalty for tripping. Quickly Namao went to the attack only to be refuted by the persistent skating and checking of Guy Charrois. At the 19 minute mark Guy Charrois assisted

by Louis Martineau and Laurent Coulombe outskated the Namao defenceman, scored what proved to be the final blow against Namao.

After the game the players were invited to a small get-together at the Legal Recreation Centre where a lunch and refreshments were served. Approximately 100 persons were present. All of the boys on the team greatly appreciated the support expressed by the fans. Many thanks to those that were responsible.

Unfortunately the game had been scheduled to be played at 8 p.m. but due to good recreational organization the game was only begun at approximately 8:30 p.m. and with ice conditions that left much to be desired. It was very difficult to understand and even more difficult to appreciate that Morinville made such an attempt at making this Hockey League look so bush in organization and in presentation especially on a possible championship game. The president of the league was not present for the trophy presentation nor was the Gazette photographer present for taking pictures.

By Lucienne Montpetit

Congratulations to the Legal Senior hockey team who were victorious in winning the Sturgeon Hockey League Championships on March 1. "Citadel Canadians" Legal citizens are very proud of you!

The community would like to extend their best wishes for continued health and happiness to Mr. and Mrs. Alme Casavant who celebrated their 50th wedding anniversary on March 2. The couple have retired and are residents at the Chateau Sturgeon.

With our long winter, people in our community tend to go to warmer climate. Returning last week from a five week Caribbean cruise were Mr. and Mrs. Ben St. Martin, Mrs. Diane Remillard and Rose Bilodeau; Mr. and Mrs. Leo Maurier, Mr. and Mrs. Eddy Rivard, Mr. and Mrs. Rock Proulx and daughter Yvonne, Mr. and Mrs. Gerry Arlow, Mrs. Francis Arlow enjoyed their holiday in Hawaii.

Mr. and Mrs. Paul Chauvet spent six weeks visiting with relatives in Ottawa, Mont-

Legal News

real and Quebec. They spent several weeks with their son Raymond and his wife in Ottawa. They also visited with Mr. and Mrs. Robert Couture former resident of Legal and attended the unique Carnaval de Quebec.

Come and dance to the toe tapping music of the Sate-lites from Clyde on March 15 when the Club 60 Roses will sponsor this fun filled evening. Free lunch and everyone is welcome.

Mrs. Patrick Keane and Danny Mahe are patients in

the hospital. We wish you a speedy recovery.

The last cash bingo sponsored by the Parish Council was held last Sunday. The \$80 jackpot was won by Louis Pelletier. They will hold a ham bingo on March 24th.

Expressions of sympathy are extended to Mr. and Mrs. Victor Douzlech who are mourning the loss of their sister-in-law Mrs. Roland (Rita) Douzlech who passed away on Feb. 25 at 51 years of age.

NAMAO NEWS

By Norma Crozier

A Snowmobile Gymkhana will be held at Namao in the area north of the school on Saturday, March 9 commencing at 2 p.m. Registration at 1:30 p.m. Participants must be members of Namao School and Community League plus a 50¢ charge per race. For further information please call Marshall Davis - 799-5964 or George Mullen 799-5988.

Get well wishes of the district to Jack Pearse who is a patient in University Hospital with a back injury.

Congratulations from Namao Senior hockey team to the Legal Seniors after winning the cup from Namao in three straight games.

Mrs. Esther Miller from White Rock, British Columbia was a visitor at the home of Mr. and Mrs. Ted Samis last week.

The Namao School and Community League will be electing new officers for the following positions at the April annual meeting -- 1. President; 2. Treasurer; 3. Committee Chairman for -

(a) rink (b) senior baseball (c) arts and crafts (d) hall board and (e) supply and 4. three new directors. A nomination committee has been formed. Its members are Arlene Crozier, 799-5732; Harvey Ash, 799-3614; Leo Huber, 799-3849; Clayton Crozier, 799-3248. If you wish to make a nomination, or should you wish to stand for office, please contact one of the members of the nominating committee.

The Namao Nursery School mothers have had a number of interesting tours and films since Christmas.

On January 18 they had a visit from the RCMP. On Feb. 5 their guest was a dental hygienist with a talk and a film on care of the teeth. On Feb. 6 they toured No. 5 Fire Hall. A very interesting day. On Feb. 22 they viewed a film on Bees and on March 1 the group enjoyed a tour of Storyland Valley Zoo in winter.

A good crew of painters turned out last week to re-decorate the interior of Namao United Church. Thanks go to the men and ladies who helped in any way.

I would be glad to hear of any Namao area news of weddings, meetings, sporting and school events etc. You may contact me at 799-3438.

The Future of St. Albert

**A Suburb
linked to Edmonton
by an
Industrial Complex...**

or

**a Town
separated from Edmonton
with a permanent
Green Belt Park.**

The St. Albert Community Planning Committee wishes to object to the rezoning of N.E. 2-54-25-4 from (A) Agriculture to (M.I.) Light Industrial. The rationale underlying this objection can be clearly seen by referring to the above map outlining the proposed and existing industrial zoning within the Town of St. Albert and the M.D. of Sturgeon.

It should be noted that the most recent land use map of the Edmonton Regional Planning Commission shows three quarters as GENERAL INDUSTRIAL. This includes the proposed rezoning, as well as the south-east quarter of section 2 and the south-west quarter of section 1 (across the NAR tracks).

QUESTION:

Is it the Town Council's policy to proceed with a physical development which will join St. Albert to the City of Edmonton?

COMMENT:

The approval of the proposed rezoning shown above, coupled with the ensuing industrial development and spill-over into the M.D. of Sturgeon will complete the first phase in the "Planned Integration" of St. Albert and Edmonton.

If it is assumed that the citizens of St. Albert wish to maintain their separate identity, the proposed zoning should be held in obedience - the third reading should be withheld - until the possibility of establishing a PERMANENT green belt has been thoroughly investigated.

We ask the Town Council to join with us in forwarding a petition to the Provincial Government requesting the establishment of a Buffer Zone similar to the one separating Edmonton and Sherwood Park recently announced by the Minister of the Environment. A request has been made to Ernie Jamison, the local M.L.A. who has agreed to assist us in this endeavor.

It should be noted that this is a modest request. The land in question has been contained within the town boundaries for years.

If the Council will withhold its approval some badly needed "Breathing or Planning Time" can be gained. The era of "Development on Demand" in St. Albert deserves to be brought to an end.

**YOUR OPINIONS AND QUESTIONS CAN BE
VOICED AT A PUBLIC HEARING... in the ST. ALBERT CLUBHOUSE
(NEXT TO THE SWIMMING POOL)**

MONDAY, MARCH 11 - 7:30 p.m.
